New Canteen Arrangements from Week 1-3 –

- Sandy Beach Café will only be open for pre orders from the above modified menu at lunch times.
- Our canteen will be closed for recess and will not have windows open for over the counter sales. We hope to commence these from Week 4.
 - The lunch order box will be located at the canteen.
- Please use correct change where possible. We will have a sanitising station at the canteen for over the counter times.
 - Lunch orders (including frozen treats) will be delivered to classrooms in weeks 1-3.
- Due to us keeping limited stock on site in Term 3, if your child orders something that is not available, we will speak with them and find them a suitable alternative.
 - Breakfast Club – Whole fruit is available each morning.
- Please remind your child to be patient and courteous as we do not have volunteers in Term 3.
