Years 3 and 4 Bournda Visit

Dear Parents and Caregivers,

This term, students are learning about living things, the environment and sustainable practices. To complement our current conceptual unit, students have the opportunity to participate in a hands on program by Bournda Environmental Education Centre. In the program, students will explore the habitats and life cycles of living things as well as classify living things through the use of microscopes and other tools.

Date of incursion:

All of Year 3: Week 5 Monday, November 9th 2020

All of Year 4: Week 6 Tuesday, November 17th 2020

Cost to participate in the program: \$4

Students will be participating in the program on school grounds during regular school hours. Please ensure your child has a broad brimmed hat, suitable footwear and a drink bottle. Any student who requires asthma or anaphylaxis medication (EpiPen), must carry this with them.

Please return your child's note and money to the front office no later than **Wednesday, November 4th 2020.**

Yours Sincerely
Caitlin Patterson

Please return this note to the office by Wednesday, November 4th 2020
