Dear Parents and Carers,

The family classes are very excited to be offering a range of interactive and hands on lessons this term. The children will rotate on a fortnightly basis between the following lessons:

- Cooking Lesson – where students will learn about different food groups, nutritional value, personal hygiene, safe preparation practices and different cooking techniques.
- Dance Lesson – where students will learn different dance moves, an appreciation for different styles of dance and music and culminate in a performance at the end of the year.
- Woodwork Lesson – students will work with simple tools to learn about their use and safe work practices. The children will complete a variety of simple projects.

These lessons will run every Tuesday from 12:15 for this term (October 22, October 29, November 5, November 12, November 19, November 26, December 3 and December 10).

If you have any questions or concerns about these lessons, please don't hesitate to contact the school.

Please return your child's permission note by **Tuesday, October 22 2019**. Those children without permission notes *will not* be able to participate.

Kind Regards,

Tina Lawson
Classroom teacher

Permission in Interactive Lessons
