'Tilba Cheese and Milk' cooking demonstration and workshop

Dear Parents and Carers,

In Term 3 and the beginning of Term 4, students in Year 1 completed a unit of work in Science learning about food production and different types of farming industries. To enhance this learning with a real-life experience, Erica Dibden from 'Tilba Real Dairy' will be holding a workshop for Year 1 on **Tuesday 3rd of December** in our kitchen rooms. She will give a short presentation about the dairy industry and cheese making, followed by a hands-on workshop making butter and other dairy products which students will participate in. Students will also be given 'Tilba Real Dairy' milk to taste.

Please indicate below that you give your child/children permission to eat the food that is cooked in class, as well as indicate if your child/children has any food allergies/medical conditions/dietary needs **especially if it includes dairy**.

Please return this permission note by **29 November 2019**.

Kind Regards,

Chloe Hearn and Jenni Smith
Year 1 classroom teachers

Permission to participate and cook in Tilba Milk and Cheese workshop.
Please return by Friday 29th of November, 2019
