Year 5 and 6 Bournda Program for selected students

Dear Parents and Caregivers,

This term, students are learning about their local environment and sustainable practices. To complement our conceptual unit of work and for demonstrating a strong interest and talent in environmental science, your child has been selected to participate in a Bournda Environment Educational Centre Program. This program allow students to use an underwater drone to capture the water environment at the edge of the lake at Spencer Park. Students will also test for water quality and explore the process of this.

Date: Monday, 7th December 2020

Cost to participate in the program: \$4

Students will be participating in the program both on school grounds and at the edge of the lake at Spencer Park. They will be accompanied by a teacher from Merimbula Public School as well as staff for Bournda Environmental Education Centre. Students must wear school uniform, appropriate footwear and a broad brimmed hat. Students must have a water bottle.

Please return your child's note and money to the front office no later than **Friday, November 13th 2020.**

Yours Sincerely
Caitlin Patterson

Please return this note to the office by Wednesday, November 13th 2020
