

## Permission to Publish – 6P and 6K Specific Activity – Australian Olympic Connect Friend Project

Tuesday, May 25, 2021

Dear Parent/Caregiver,

Year 6 students will be participating in the Australian Olympic Connect Friend project. This project has been developed by the Australian Olympic Committee and is structured to promote the international connection between youth in Japan and Australia. The aim is fostering a safe cultural learning environment and providing a unique insight into each country's customs, lifestyle and activities in the lead up to and during the Olympic Games.

6P and 6K classes have been partnered with Seya Elementary School located in Ibaraki prefecture, Japan. Students with permission will be photographed and filmed while being interviewed to share information about school life, sports, interests and daily life. Film and photo material will be shared with the classroom teacher in Japan via Department of Education email, and she will then share this information with her two classes. All email communication will be through Ms Fowler and the educator in Japan (No personal student to student communication will take place).
