

Merimbula Public School

Wednesday, October 13, 2021

Dear Parents and Caregivers,

Merimbula Public School will be selling a variety of bandannas as part of Bandanna Day on **Friday, 29 October**. This fundraising event supports CanTeen. Every year another 23,000 young people will be faced with a cancer diagnosis, whether it is their own or a close family members'. CanTeen's Bandanna Day is on Friday 29 October, and we have joined the team to support young people around Australia. This powerful campaign has generated over \$33 million to support young people affected by cancer. Help us make sure that no young person faces cancer by helping us raise valuable funds to provide young people with the specialist care they need to make it through their cancer experience.

Bandannas will be available for pre purchasing through the admin office. This year we have one type of bandanna, cotton ones costing \$5. Bandannas will be taken to students in their classes, where they will choose a design, and can be worn prior to and on Friday, **29 October**.

Brenton Mace and Vanessa Bain
Learning and Wellbeing Team

Bandanna Day 2021- Friday, 29 October.

Please state the number of bandannas you are purchasing and return your order and payment to the front office. Orders that come in first will be given first selection in choosing a design.

Cotton Bandanna (\$5): QTY
