

## Learning from Home Information – Week 7, Term 3

### Week 2 - Learning from Home *Precautionary Planning and Technology Use Survey*

Monday August 15, 2021

Dear Parents and Caregivers,

As shared last night via School Stream and our website, our staff have prepared another *Learning from Home* work booklet for your child, should *Learning from Home* continue again next week. The booklet is enclosed in this envelope (fingers crossed your child won't have to use it!). Staff will continue to communicate via Class Dojo messenger each day next week, should *Learning from Home* continue, to let you know of your child's class tasks for the day. Thank you to the parents/caregivers who have been communicating with their child's classroom teacher successfully this way already!

Once again, we have had no information from the Department to share that learning from home will continue, however, we have chosen to send home this second paper-based work booklet as a precautionary measure.

As also shared in previous communications, should Learning from Home continue, we would like for families to return their child's work booklet, either via a scanned email or into our bus bay drop box. The drop box will be accessible in the bus bay at the following times:

- **Every Friday between 9.30am and 2.30pm** (when the bus zone is not in operation); and
- **Every Monday between 9.30am and 2.30pm** (when the bus zone is not in operation).

If *Learning from Home* does continue, we would like to know your thoughts about completing online learning as opposed to, or in addition to, paper-based work tasks. Please complete the survey attached and return it to school via email, as a scanned document, or via the drop box with your child's work. This way, should *Learning from Home* continue beyond three weeks, we can consider your family's most appropriate and chosen method of completing tasks, and make changes if required in moving forward.

Thank you once again for your collaboration and support during this trying time. Thank you also for keeping our community and your children as safe as possible at this time, by supporting your child in *Learning from Home* unless they need to be at school (due to you being an essential/critical worker). We had less than 10 students at school today, which is a great start in keeping our community, school community, students, families and staff safe.

Take care and enjoy your time with your children. We miss their smiling faces!

Regards,  
Michelle Hulme  
Principal

## Technology Use Survey

Please return to school via scanning/screen shot, email or in the drop box with your child's Learning from Home Pack

Child's name/s: \_\_\_\_\_ Class/es: \_\_\_\_\_

Town you live in: \_\_\_\_\_

1. Do you have a computer in your home for your child/each child to use (that you are not using for work)?  
Yes \_\_\_ No \_\_\_

2. Do you have unlimited wifi? Yes \_\_\_ No \_\_\_

3. Do you have limited wifi? Yes \_\_\_ No \_\_\_

4. What type of internet do you have at home? **Please tick:**

\_\_\_ 3G/4G modem (portable wireless broadband)

\_\_\_ NBN Fixed wireless broadband

\_\_\_ NBN Fibre/ Fixed Line (fastest connection)

\_\_\_ NBN Satellite Internet (Sky Muster)

\_\_\_ Satellite other not NBN

\_\_\_ ADSL

\_\_\_ Hot spot from mobile phone

\_\_\_ I am not sure but can find out and email you the answer

\_\_\_ No Internet Access at Home

5. Data download with your current internet plan: **Please tick:**

\_\_\_ UMLIMITED per month

\_\_\_ More than 500gb per month

\_\_\_ 300gb to 500gb per month

\_\_\_ 200gb to 300gb per month

\_\_\_ 100gb to 200gb per month

\_\_\_ 50gb to 100gb per month

\_\_\_ 25gb to 50gb per month

\_\_\_ 10gb to 25gb per month

\_\_\_ Less than 10gb

\_\_\_ no access to internet at home

6. Will your child be sharing this internet connection with other family members including siblings, or parents working from home? Yes \_\_\_ No \_\_\_

7. Does your child have access to a printer? Yes \_\_\_ No \_\_\_

8. Does your child have access to: **Please tick:**

- a scanner
- document scanner
- mobile phone capable of taking a scan or picture of work
- scanner mobile phone with camera
- no access

9. Is there anything that may impact your child's ability to complete his/her work from home, via computer/technology should school closures occur?

---

10. What is your internet speed? Run this small test by typing this link into your browser type in the Mbps below. <https://fast.com/>

---

11. What mode of learning would you like for your child, should *Learning from Home* continue: **Please tick:**

- Paper-based work booklets only, as in Week 1 and 2
- Online learning via Google Classroom as per 2020 (for those who were at MPS)
- A combination of the above
