

## Out of School Hours Care Survey

Monday, June 7, 2021

Dear Parents/Caregivers,

As you may be aware, our Before School, After School and Vacation Care service ceased operations in March last year. Our school has been in contact with the Early Childhood Directorate for the Department of Education, and is investigating running our own Out of School Hours Care service. This would mean we would hire our own manager, accounts manager and staff, and/or use existing casual teachers and learning support officers. Whilst we would not have to lease the grounds, or our own resources, we still need to ascertain service viability.

We understand that some parents/caregivers have recently completed an online survey uploaded onto our Facebook page. This was a Department survey. Our school is not aware of the results. We would also like more information from you regarding the possibility of service needs, as we consider commencing our own service.

Please be advised that should we find operating a service will be viable, and should we apply for a service, it may take up to 90 days to be registered. Further to this, the service will ONLY be offered to students of Merimbula Public School.

Please complete the below survey and return it to the school by the end of this week, June 11, so that we can evaluate service needs and make the relevant applications where required.

If you have any questions, please call me at school on (02)6495 1266.

Sincerely,  
Michelle Hulme  
Principal

### Survey Information

**Please include all children coming to Merimbula PS in the next 3 years. (EG: Sally Smith – Kindy 2024)**

**Please indicate N/A and return the survey, even if you DO NOT wish to use the service. This way we will have a clearer indication of service need. Please be aware if we do offer a service, and numbers decline or are not reflective of survey responses, the service may become non-viable and close.**
