EDEN MARINE HIGH SCHOOL TRANSITION VISIT

Dear Parents and Caregivers,

On Tuesday, 22nd June we will be taking a small group of students to Eden Marine High School to undertake a tour of the school. The high school has offered us the opportunity to explore their facilities and meet the students. It provides an opportunity for your child to become familiar with their potential school setting or a high school environment.

We will leave school just before lunch time at 10.50 am to visit Eden Marine High School to undertake an orientation visit of the school and undertake two mini-lessons. The group will travel by private transport or with a teacher driving each vehicle. We will return to school at approximately 1.45 pm.

On the day, photos will be taken to provide visual support for students to aid them in their transition into Year 7. Under NSW Department timelines, 'Access Requests' for students to apply to enrol in a support class are required to be completed while students are in Year 5, and a school setting will also need to be decided upon when submitting the application.

After this visit, future visits will be organised to meet the needs of each student, which will best support them in their transition into high school. More information will be provided about these visits once they are confirmed.

If you have any questions about your child enrolling in high/school or moving into Year 7, or about the planned visit, please feel free to contact me.

Regards
Brenton Mace
Assistant Principal Special Education

EDEN MARINE HIGH SCHOOL TRANSITION VISIT CONSENT FORM *Please return this permission note by Friday, 18th June 2021*

Dear Mr Mace,

I give permission for of class to attend the transition visit to Eden Marine High School on Tuesday, 22nd June.

By providing consent, I understand that my child will be travelling in a private vehicle (with a teacher) to and from the venue.
