

A photograph of children sitting at a table, engaged in a craft activity. They are surrounded by various art supplies like paper, scissors, and glue. The scene is brightly lit and colorful. A semi-transparent blue overlay covers the bottom half of the image, where the text is placed. A red circle with a yellow line is in the top left corner.

VACATION CARE FAMILY INFORMATION

Join our fun filled **ASPIRE OSHC Vacation Care program**. To confirm your booking please complete and return our **Enrolment Form and Vacation Care Booking Form** along with your payment.

- 1. No Hat No Outside Play - this includes excursions:** As a sun safe measure ASPIRE OSHC requires all children and staff to wear a Cancer Council approved hat during high UV periods. In addition, and as required by the Cancer Council and WHS legislation we monitor the UV Index daily to ensure we take all reasonable precautions to protect children and staff from over exposure to the sun.
- 2. Appropriate Clothing:** please ensure your child is dressed appropriately for the weather and the activity planned on the day. If possible please pack a change of clothes – we are likely to get wet most days of the holidays.
- 3. Arrivals and Departures:** You are required to sign your children in and out of the service each day recording arrival and departure time. For safety purposes, it is important that staff are informed of your child's arrival and departure daily. Please ensure your child arrives at least 20 minutes prior to the excursion departure time, this assists us to run excursions to the planned schedule. Please note if the excursion group has departed your child will not be able to attend the excursion or remain at the program.
- 4. Sunscreen:** is available at the service, we ask that you apply the sunscreen to your child upon arrival. Staff will supervise re-application during the day. If your child is sensitive or has an allergy to the sunscreen we use, please supply an appropriate sunscreen for your child.
- 5. Allergy awareness:** On enrolment, you are required to advise staff if your child has an allergy and identify the allergy on the enrolment form. To ensure we are able to take best care of your child we ask that you also provide information as to the triggers and symptoms of your child's allergy. All efforts will be made by staff to avoid such triggers. All ASPIRE OSHC services are "Nut Free" environments. Children are not allowed to bring nuts of any type into our services. The sharing of food is also not allowed.
- 6. Anaphylaxis:** If your child has a diagnosed allergy, before your child can attend the service you must provide a completed coloured allergy action plan including a coloured photo and labelled medication. All medication should be handed directly to staff on arrival. All medications must be on the premises at all times when your child is present. The action plans are to be updated as required (at least yearly) and staff notified of any changes to the action plan (refer to the anaphylaxis policy and procedure).
- 7. Asthma:** If your child has been diagnosed with Asthma, you must provide a current Asthma action /management plan, which needs to have been completed by your treating GP. In addition we require a long term medication form (refer to the asthma policy and procedure).
- 8. Medication:** Before we can administer a prescribed medication to your child, we require you to complete a medication authority form. All sections of the medication form need to be completed. Medication can only be administered if the medication is in its original packaging and labelled with the child's name, a current date and the name of the medication and dosage required. (refer to medication policy) Children returning from an illness will require a Doctor's clearance certificate stating they are no longer infectious and are fit to attend care.
- 9. Personal belongings:** We recognise that some children may like to bring cherished toys and equipment form home for use during the vacation care program. ASPIRE OSHC cannot take responsibility for lost or damaged items – this includes technology! Tech use can only take place in a designated space at a designated time. These rules will be explained to the children every day before the start of the daily program.
