### Athletics Carnival 2025

#### FINAL REMINDERS FOR FAMILIES

We are looking forward to sharing a great athletics day with everyone on Friday 25th July.

- **The carnival will be commencing at 9.00am sharp** please be there before 9.00am if your child is in the 100m events.
- **Parking will not be allowed on the Athletics Field** Parking is along Bega Street or at the netball courts, with access via Carp Street. It's a short walk across the netball courts to the Athletics Field.
- **The BVPS P&C will host a canteen** There will be no scheduled break times, so please take lunch and snack breaks between events as needed.
- **The ground may be wet with heavy dew and frost** consider bringing a tarp or similar for your children to sit on, and ensure they have adequate protective clothing.
- **When setting up in your school area** please be considerate of all attendees. Avoid placing shelters too close to the track
- **All spectators and students are required to sit on the western side** of the 100m track. Students must stay in their school area when not competing. Running or playing on the oval is not permitted.
- **All school staff will collectively supervise students in attendance** We appreciate your respect for staff directions and kindly ask you to remind your children to do the same.
- **If the carnival needs to be postponed for any reason** it will be posted on the Bega Valley PS and SCLC Facebook page. Team managers will be notified as soon as possible.
- **Track events will take precedence, requiring flexibility for students completing field events** It's each student's and school's responsibility to ensure they don't miss their events. Exact event times cannot be provided due to the unpredictable nature of field events, so please pay attention to announcements throughout the day.
- **Please do not approach the recording table** For queries, first speak to your team manager. The carnival coordinator will be available on the day to answer any questions.
- **Please model great sportsmanship for your children by respecting the decision of referees, timekeeper and judges.** Any queries about results can be directed to your team manager.
- **All protests on the day must be made within 30 minutes of the completion of the event and can ONLY be made by a team manager.**
- **Dogs** are not permitted at the carnival.
- **Students in the 1500m event must remain at the ground after the carnival concludes** The races will start approximately an hour after the previous event, so parents should plan accordingly

We are looking forward to an excellent day!

Sophie Martin & Peter Bennett
