

## Clean Up Australia Day

Tuesday February 5, 2019

Dear Parents/Caregivers/Grandparents,

Schools Clean Up Day for Merimbula will be held on Friday March 1, 2019. We will once again be supporting Clean Up Australia Day by cleaning up designated areas, either within a school grounds or the school surrounds. Students from **Kindergarten, FL, FH and FM** will clean up the school grounds, **Stage 1** will clean Spencer Park, **Stage 2** Randolph and Munn streets and **Stage 3** Berrambool Oval.

Students will be asked to provide protective gardening gloves to handle rubbish. To participate, students will need to wear a hat. Any student with a diagnosed medical condition should inform their class teacher. Students diagnosed as being at risk of anaphylaxis should bring their adrenaline auto-injector (Epipen) with them on the day. Children will also be responsible for carrying their own asthma puffers.

Safety is important, so all students should follow instructions, be responsible and well behaved, especially while around water. Students will also be briefed about the importance of hazardous materials and informed that they will not pick up these items, but alert supervising teachers. Please remind your child of this also.

Thank you for your support. If you have any inquiries please contact me on 64951266.

Yours sincerely,

Jodi Vaughan  
Coordinator

### **Clean Up Australia Day 2019 – Please return permission by Friday February 22, 2019**

Dear Teacher/s,

I give permission for my child \_\_\_\_\_ of class \_\_\_\_\_  
to attend the Clean Up Australia Day activity.

I have spoken to my child about the importance of not picking up hazardous material. Health issues of my child \_\_\_\_\_
