

Paul Kelly Cup Information Update

February 26, 2019

Dear Parents and Caregivers,

Apologies for sending out another note! Just a quick update of teams for tomorrow's games - **Wednesday, February 27 at Pambula Sports Complex**. Some children still need to bring in notes, so we have had to do a team shuffle in case they do not bring them tomorrow and therefore cannot attend (we may not have reserves so need to ensure 12 a side)! *The couple of students needing a lift with me need to complete the separate note provided also.

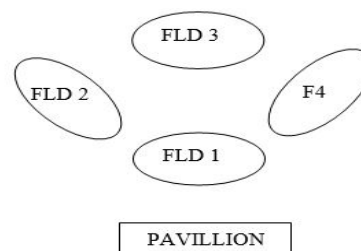

REMINDER: Players will need to provide their own boots. Mouthguards are compulsory and headgear is highly recommended. They will also need a broad brimmed hat, sunscreen and a water bottle (or two). Students with Epipens and/or asthma puffers should bring them too. Our new uniforms have arrived and will be provided to the students on Wednesday morning at 9am to change into. They will be provided socks, shorts and a shirt (which they have tried on today, ready for tomorrow). They will need to be returned to me at 1.30pm on Wednesday, when the AFL day ends. Students need to meet at Pambula Sports Complex at 9am. They can return to school or be signed out with me at 1.30pm.

The draw is as follows:
