Interactive Lessons

Dear Parents and Carers,

The family classes are very excited to be offering a range of interactive and hands on lessons this term. The children will rotate on a fortnightly basis between the following lessons:

- Cooking Lessons – where students will learn about different food groups, nutritional value, personal hygiene, safe preparation practices and different cooking techniques.
- Dance Lessons – where students will learn different dance moves, an appreciation for different styles of dance and music and culminate in a performance at the end of the year.
- Woodwork Lessons – students will work with simple tools to learn about their use and safe work practices. The children will complete a variety of simple projects.

These lessons will run every Wednesday from 11:30 for this term (May 8, May 15, May 22, May 29, June 5, June 12, June 19, June 26 and July 3).

If you have any questions or concerns about these lessons, please don't hesitate to contact the school.

Please return your child's permission note by **Tuesday, May 7 2019**. Those children without permission notes **will not** be able to participate.

Kind Regards,

Tina Lawson
Classroom teacher
