Dear Parents and Carers,

The family classes are very excited to be offering a range of interactive and hands on lessons this term. The children will rotate on a fortnightly basis between the following lessons:

- Cooking Lesson – where students will learn about different food groups, nutritional value, personal hygiene, safe preparation practices and different cooking techniques. Students will also be eating the food cooked.
- Dance Lesson – where students will learn different dance moves, an appreciation for different styles of dance and music and culminate in a performance at the end of the year.
- Woodwork Lesson – students will work with simple tools to learn about their use and safe work practices. The children will complete a variety of simple projects.

These lessons will run every Tuesday from 12:15 for this term (July 30, August 6, August 13, August 20, August 27, September 3, September 10, September 17 and September 24).

If you have any questions or concerns about these lessons, please don't hesitate to contact the school.

Please return your child's permission note by **Tuesday, July 30 2019**. Those children without permission notes will not be able to participate.

Kind Regards,

Tina Lawson
Classroom teacher
