BEGA HIGH SCHOOL TRANSITION VISIT

Dear Parents and Caregivers,

On Thursday, 14th March we will be taking a small group of students to Bega High School to undertake a tour of the school. The high school has offered us the opportunity to explore their facilities and meet the students. It provides an opportunity for your child to become familiar with their potential school setting or a high school environment. Parents are also welcome to attend the tour.

We will leave school after the roll is marked at 9.00 am to visit Bega High School to undertake an orientation visit of the school. The group will travel by private transport, with a teacher driving each vehicle. We will return to school at approximately 12pm. Staff attending and transporting students include Tina Lawson, Manda Hensman and Jodie Shearer.

On the day, photos will be taken to provide visual support for students to aid them in their transition into Year 7. Future visits will be organised to support them in their transition and more information will be provided about these visits once they are confirmed.

If you have any questions about your child moving into Year 7, or about the planned visit, please feel free to contact me.

Regards

Brenton Mace

Assistant Principal Special Education
