

Year 1 Parent/Grandparent Helper Opportunity

March 5, 2019.

Dear Parents and Caregivers,

During Term 1, Year 1 will be operating rotating maths groups each Friday between 9.15 and 10.30am. We are seeking parent / grandparent helpers to assist during this time. **All helpers will require a current 'Working with children' check for volunteers, which can be obtained through the RTA.** We understand that it may be difficult to commit to a weekly time. We have included some dates below that you may be able to attend. Please take the time to check the dates and tick any you will be able to attend and return to your child's class teacher by Monday 11th of March.

Thank you for your assistance,
Chloe Hearn and Jenni Smith
