

# Merimbula Public School

Friday, April 7, 2017

Dear Parents/Grandparents/Caregiver,

Throughout 2017, Eden Marine High School will be holding a number of activities to assist with the smooth transition of Year 6 students into Year 7. The dates are as follows:

- Evening Information Session in 5B classroom (Tuesday, May 2. Time to be confirmed)
- Year Advisor visits Stage 3 classes (Wednesday, May 3)
- Eden Marine High School Taster Lessons (Thursday, August 31. Permission note will go home closer to date)
- Orientation Day (Tuesday, December 5. Permission note will go home closer to date)
- Additional transition for identified students (Wednesday, November 15)
- Additional transition for Aboriginal students (Wednesday, November 29)

These days/sessions are designed as a small introduction to Eden Marine High School for Year 6 students in our local primary schools. They are to give students a familiarity with staff, subject faculties, students, as well as school policies and procedures.

Thank you,

Manda Brewer  
3-6 Assistant Principal
