

## Musical Showcase DVD Order Form

Friday, September 22, 2017.

Dear Parents / Caregivers,

We are all very proud of the students' achievements and outstanding performances during the school musical showcase, *The Amazing Adventures of SuperStan*.

A special thank you once again to parents/caregivers for your support when preparing costumes, transporting students and for coming to school to join the audience whilst our children showcased their talents.

A DVD Box Set has been made, containing a DVD for each of the three performances. This commemorative DVD set is available at a total cost of \$10. If you would like to order a DVD set, please complete the attached note and return it to your child's classroom teacher/the office with the appropriate money by Friday October 27.

Thank you to our P&C Secretary, Mr Ross Mannell, for filming the events and making the DVDs.

Michelle Hulme  
Principal
