

Merimbula Public School Newsletter

Term 2 – Weeks 6 to 10
2017

Principal's Messages:

Our staff and students are having an amazing time at school this term! Students have been competing in: PSSA Knockout sports team competitions; AFL Gala Days; the Sapphire Coast Learning Community (SCLC) Music Camp; recorder ensemble practice for an Opera House visit; Zone Sports Carnival participation; gifted and talented writing, Geography, Science, Mathematics, robotics and coding workshops. We really have talented students, dedicated staff and an amazing array of extra-curricular opportunities for the students of our school.

In the past weeks I have also had the privilege of meeting 30 new 2018 Kindergarten students and their parents/carers. I have many more interviews to come in the weeks ahead! The Kindy students were very excited and enjoyed touring the school. I am very fortunate to have learnt a lot about the children and their parents' wishes for them to support them having a smooth start to Kindergarten. I also look forward to working with the pre-school and early childcare centres in the coming months to learn about more ways the individual learning programs and transition for these children can be supported. If you know of any more 2018 Kindergarten children who have not yet had their enrolment interviews, please get their parent/s to contact the school as soon as possible. We are already looking like we have to advertise for another teacher and possibly get another demountable for the school. Completing the enrolment process early will support a new building being installed during the Christmas holiday period, if not before, so that we do not have to use the library as a classroom while we wait (as we had to do this year when we had a lot of unpredicted enrolments commence on Day 1).

Staffing Changes: Thank you to Mrs Pearce and Mrs Robson for continuing to teach KW while Ms Wilson is on leave. Mrs Pearce and Mrs Robson will be continuing to job share on this class for the remainder of term.

Mrs Beth Smith will be taking leave from June 26 to June 28. During this time Ms Lynda Wylie will be teaching 4S. She has taught the class on a number of occasions and is looking forward to supporting them in the coming month.

Mrs Kellaway will be taking the next 5 Wednesdays off, and will be team-teaching with Mrs Jo Garland. Mrs Garland is excited to take the class!

I will be taking leave during the first week of Term 3. Mrs Janelle Hodsdon will be relieving as Principal during this time.

We look forward to continuing to have a fun term!

Calendar changes and new events will be posted in School Stream and on Facebook. Remember to check in on our school Facebook page to keep up to date with what is happening each week.

*Sincerely,
Ms Michelle Hulme*

Merimbula Public School

2018 Kindergarten Orientation Program

Kinder Welcome Picnics on Wednesday October 11 (12:15 - 1:15pm) and Thursday October 12 (9:30 - 10:30am);

Parent/Carer Information Session in the Jackson Hall, Thursday October 19 (9:30 - 11:00am); and

Classroom Visits For Children Thursday October 19 and Thursday October 24 (9:30 - 11:00am; and Thursday November 2 (9:30am - 12:15pm).

School News:

New Award System: Our school has adopted a new Merit Award System.

Positive Behaviour for Learning – Merit Awards

As you can see, teachers will be giving out 3 awards at each fortnightly assembly, with K-2 one week and 3-6 on the alternate week. Our Librarian, Japanese, Music Teachers and other support teachers will be giving out one award each at each weekly assembly. Awards given out will be Bronze Awards in the first instance. With our new system, award levels exist. Once a child has received 5 Bronze Awards they will then go onto the Silver Award Level, then Gold Award Level; receiving 5 Awards at each level until they receive 5 Platinum Awards and a Sapphire Award presented by the Principal.

Children who have already received a lot of awards can bring them in to show so that they can be put on a new level (as whilst our new computer system allows us to record awards received, our records don't date back 6 years for the older children).

Some new awards!

As a result, Merit Awards, Stage Awards and other school awards are worth the equivalent of a Bronze Award. If they have not had the back signed, indicating that a child has received a Principal's Award (previous kind), they can bring them in so that we can add them to our new tally of 'Bronze' Level Awards. All previous-style Principal Awards can be brought to school, to show how many 'Silver' equivalent certificates a child has received. Students in the later grades may find that their next award is a very special one!!

Before School, After School and Vacation Care: Enrolments are open for Before and After School Care, and Vacation Care with Holiday Care Australia (HCA).

Before School Care is open 6am – 9am Monday to Friday by appointment. After School Care opens at 2:55pm until 6pm Monday to Friday during Term. We are open for the upcoming school holidays. HCA is only closed on Public Holidays.

Enrol now online at www.holidaycareaustralia.com or come and see our lovely Educators Bridie or Jess between 2:30 – 6:00pm weekdays. We provide fun excursions, in a safe environment. While you work you know the kids are safe and having fun!

Here are some photos of our Easter Holiday Vacation Care Excursion to Eden Marine Discovery Centre. James, Alexis, Jake and Angus are having a great time (as pictured below). As too were the children exploring the touch tank.

Voluntary School Contributions: Thank you to the families who have already paid their voluntary school contributions for 2017. Invoices were sent home in Term 1. To date **we have collected \$1854** in contributions. If every child's contribution was paid we would take in **\$18,000!** That would go a long way to supporting the school in purchasing valuable resources for our students.

Student Reports: School reports are being sent home at the end of this term. They will outline the achievements and effort being demonstrated by your child in each subject area at school, their commitment to school values as well as the behaviour demonstrated this semester. The school reports also share the amount of absences had by students, in terms of minutes late to school as well as days absent. These absences may have resulted in some concepts not being grasped as well as they could have by some students. The absent days do not include days out of class for students attending extension programs or extra-curricular activities like representative sport.

The reports will also mention if your child has been receiving additional support from a School Learning Support Officer or our school's Learning Assistance and Support Teacher in literacy, numeracy or social skills programs. Should you have an immediate question about your child's report, please do not hesitate to contact your child's classroom teacher. Other discussion about your child's achievements and learning needs/improvements may be discussed at the parent-student-teacher conferences that will be held in Week 2 of Term 3, Tuesday July 25 and Wednesday July 26.

Mid-Year Parent-Teacher-Student Conferences: Our mid-year parent-teacher-student conferences will be booked a different way than in the past. Instead of a booking request sheet being sent home with your child's school report, an information slip will be sent home outlining how you can book your interview online. Families who do not have access to the internet will be able to get support in making their booking by calling our Administration Office on (02) 64951266.

2016 Annual School Report: Our 2016 Annual School Report has been published on our school website. It contains information about our school's vision, who is part of our school, school achievement, programs, future aims and survey feedback and consultation with parents, caregivers, students and staff. You can access the report by clicking on the web site tab titled 'Our School' then 'School Planning and Reporting'. Alternately the link you can go to is: <http://www.merimbula-p.schools.nsw.edu.au/our-school/annual-school-report> or you can request a paper copy of the report from our Administration Office.

Uniform Shop – Change in Times: The uniform shop will be closed on Thursday June 15, June 22 and June 29. We apologise for any inconvenience. Mrs Carole Ashworth will be opening the shop on the Mondays during these weeks, from 8.15am to 9.15am as Mrs Purcell will be on leave.

Stewart House Mufti Day: Thank you to everyone who supported today's Mufti Day. Today is Stewart House Day. Every year around 1,800 public school children attend Stewart House, which is situated next to Curl Curl Beach. Their visits are at no cost to their parents or carers. During their 12 day stay at Stewart House, the students are provided with dental, optical, hearing and medical screening and treatment.

They participate in educational programs and excursions designed to develop their social and emotional skills, build self-esteem and improve their overall well-being. As a result, the experience may provide children with a much needed break. They are also inspired to see beyond the present and have real hope if they are going through difficult times.

Each year we are fortunate enough to have one or two of our students accepted to the program. Your donations help brighten up their day and the days of many other children. Thank you.

Applications for Travel Support: If you live a long way from public transport, or a bus stop, you may be able to get financial assistance to support you in getting your child to and from school. The NSW Transport sector has a 'School Drive Subsidy' which provides eligible parents and guardians twice-yearly payments to support them in covering school travel expenses.

To find out whether you are eligible, and if you want to then apply, visit:

transport.nsw.gov.au/schooldrive

If you do not have access to the internet, or need to ask someone questions about the subsidy, you can call 131 500.

National Sorry Day Ceremony and Reconciliation Week: National Sorry Day acknowledges and raises awareness of the history and continued effect of the forced removal of Aboriginal and Torres Strait Islander people from their families, communities and culture. Sorry Day is celebrated on May 26th.

National Reconciliation Week celebrates and builds on the respectful relationships shared by Aboriginal and Torres Strait Islander people and other Australians. Next week is Reconciliation Week.

This year commemorates the 50th Anniversary of the 1967 referendum, the 25th Anniversary of the Mabo High Court decision and the 20th Anniversary of the Bringing Them Home report.

As a result, and to celebrate Sorry Day and Reconciliation Week, today we invited family members, friends and carers to attend a ceremony to hear some information to acknowledge National Sorry Day and its importance to our community. We also unveiled an Aboriginal art project that some of our students have worked on with Mrs Tuckwell. We will share some photographs of the ceremony on Facebook. Pictured here are some photographs of the amazing art poles created by creative and talented Year 5 and 6 students working together.

Sports News:

AFL Star in the Making!

Congratulations to Beau Bennett who was selected for the South Coast AFL Team! He has been playing at the State Titles this week in Parkes! The South Coast team lost 2 games on Tuesday and won 2 and lost 1 on Wednesday. Beau was recently named Best and Fairest for his Digger's club age group in 2016!

Netball and Basketball Knockout News: Our Girls Netball Team played Tathra on May 17. What a match! They won 10-7 and will be playing again in the next couple of weeks.

Our Boys Basketball Team played Bombala Public School in Pambula recently. They played extremely well, defeating them 61-7. Both the girl's and boy's teams will play Eden Public School on June 6 in Merimbula. A permission note was sent home with the participating students this week. Good luck teams!

Zone PSSA Cross Country Congratulations!

Congratulations to the students who represented our school at the Zone Cross Country Carnival in Wolumla recently. Well done to all to all runners on your efforts and a special congratulations to Beau Bennett, Harry Blewitt and Liam Duggan on making it to the next stage, the Regional Cross Country Carnival in Cambewarra on Friday, June 2.

School Athletics Carnival: Our Year 3-6 Athletics Carnival will be taking place at Berrambool Oval on Wednesday June 7 (Week 7). Only the track events will be held on carnival day as the field events (discus, shot put, high jump and long jump) have been taking place each Thursday during sport time.

The Kindy-Year 2 carnival will take place on the same day but at school between 12 noon and 1.40pm on the oval.

Parents, caregivers, family and friends are welcome to attend both events. The canteen will still operate at school on the day however there will not be a canteen at Berrambool. Students in Years 3 to 6 should bring their lunch, two water bottles, and sunscreen to school on the day as they will not be able to order their lunch or have access to bubblers.

Performing Arts News:

SCLC Music Camp: Congratulations to the following students for their efforts and amazing performances at the SCLC Music Camp this week: Willow Purcell, Rosy Ryan, Elouise Hicks, Annabelle Gray, Zoe Chapple, Summer Went, Jayda Hulme, Harry Tuckwell, Emily Judd and Harley Warnke.

Last night's performance pieces were amazing! The dancing, singing, instrument playing and collaboration was wonderful to witness.

Thank you to Mrs McVeity for your efforts in helping to coordinate the 2017 SCLC Music Camp! Thank you also to Mr Claxton and Mrs Freedman (past MPS teachers) and all of the music teachers and tutors of the SCLC who allowed such an excellent opportunity and learning experience for our students.

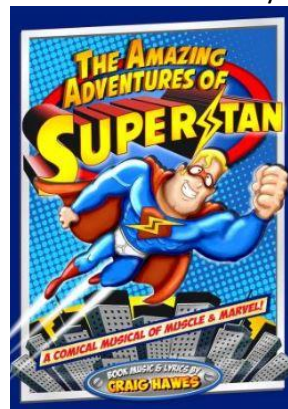

Web Address: www.merimbula.ps.school@nsw.edu.au
Email: merimbula-p.school@det.nsw.edu.au
Phone: (02) 6495 1266

Music Class Optional Homework Task - Homemade Musical Instruments: The students of MPS have been bringing their inventive and creative home-made musical instruments to music class, and it has been an awesome turn out of weird and wonderful colour and sounds. Thanks so much to all parents and carers who rose to the challenge! It's not too late for your child to get his/her instrument in!! Keep them coming, and let me know if you can let the school keep it for students to enjoy!! We would be so happy!!

We have had a traditional stick with beer caps, we had a hose to funnel trumpet, we had a corrugated-sided bottle gadget with everything: attached metal plates, attached corrugated lid, little rocks inside and a handy stick stored inside. The designs are awesome! Genius ideas!!! Errrr.....ummm... well... can we keep them??? If you are not wanting or needing the instruments to go home, they would be a lovely gift for the ongoing students at the school. Of course, you might decide that they are too awesome and your child can collect them and take them home at any time. Thank you for your efforts and support of our program, Miss George.

We Have A Cast! Today students in Year 3 to 6 who

auditioned for main parts in our 2017 school musical 'The Amazing Adventures of Superstan' were informed of which part they received.

All children will be in the musical, so check out our next Newsletter (Week 1

Term 3) to find out how to book your tickets online! ***The musical will be held on Monday September 4 and Wednesday September 6, 6.30-8pm. As well as 9.30-11am on the Wednesday.***

Merimbula Public School
49-55 Main Street
Merimbula
NSW, 2548

Page 6

The Amazing Cast!!!

The following table shows which students have received our main parts! Next to the 'character's name' the number represents how many spoken lines each role has. An asterisk (*) before the character's name indicates that this character ALSO has a solo song to sing or featured sung lines.

The different colours indicate the different groups of characters in the musical, as like every other superhero show, we have some interesting villains and heroic characters who might just save the day.....or will they?

Key: **Superheroes;** **Crumblies;** **Fun Factory Villains;** **Megaville Misfits;** **Megaville Reporters;** **Megaville Marines;** **Megaville Citizens;** **Lollie King's Minions**

Congratulations to all students who tried out. Your efforts were amazing! Students selected for these parts will have rehearsals during some recess times and after recess some Fridays. There will be some full day rehearsals and a couple of after school rehearsals on a Monday, closer to the performance. These rehearsal times and dates will be shared on Facebook each week. Teachers will also remind the students to attend. A separate note will be sent home to participating students next week.

If you are interested in helping create props and or costumes for this year's show, please let your child's classroom teacher know as we would love some helpers!

Library News:

National Simultaneous Story Time: We are in the middle of another exciting term in the library! The entire school participated in National Simultaneous Story-time this week, which was held on Wednesday 24 May at 11am. The book selected for this year was 'The Cow Tripped Over the Moon', which has themes of friendship, perseverance and resilience. This event is held annually by the Australian Library and Information Association, who select a picture book (written and illustrated by an Australian author and illustrator), to be read simultaneously in libraries, schools, pre-schools, childcare centres, family homes, bookshops and many other places around the country.

Premier's Reading Challenge: The NSW Premier's Reading Challenge has started and will run until Friday 25 August. This challenge is a fantastic way to promote a love of reading and provides students with opportunities to experience quality literature. Students will find out how to participate in the challenge during library classes. Parents and carers, please come and visit the Reading Café in the library, which is held each Wednesday after school (3-4.30pm) to find out more about the challenge. Keep up the great reading, my library champions! Mrs Feneck.

P&C News:

Trivia Night Reminder: Get your tickets for this fun fundraiser! Tickets purchased this month are at a reduced cost!

Merimbula Community Auskick: The children had a great day at the School AFL Gala Day! Now boys and girls 4 to 10 years old are invited to try Community Auskick. This takes place on Thursday afternoons at Berrambool Oval starting at 4pm for 8 weeks. You can register on the spot and all children receive the AFL Auskick backpack. For more information call Rod on 0429 518 985.

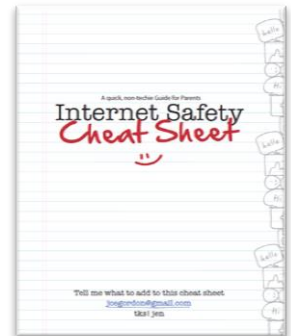

Web Address: www.merimbula.ps.school@nsw.edu.au
Email: merimbula-p.school@det.nsw.edu.au
Phone: (02) 6495 1266

Technology Education and Keeping Your Kids Safe Online:

Coding Day for Talented Technology Users and Scientists: Selected children in Years 2-6 participated in a Coding and Robotics Workshop last Friday. Students learnt basic programming and coding skills using a number of robots and technological devices. They used Lego to build their own robots, before programming them using computers. They also learnt to control a robot remotely so that it could 'paint' a picture!

Internet Safety Tips:

This Newsletter's safety tips have been shared by Miss George. Thanks Miss George!! She has found a great guide for parents and carers that explains Google, Netflix, YouTube, Instagram, Minecraft, Apple items,

and other technology features and how to keep your child safe if they are using them. The guide is called "A Quick, Non-Techie Guide For Parents – Internet Safety Cheat Sheet" and can be located at:

<http://schools.cbe.ab.ca/b610/pdfs/internet-safety-cheat-sheet-v01.pdf>

Crunch and Sip News:

Eat a Rainbow! Crunch&Sip® has been very popular in our school, with students keenly awaiting their break to eat fruit and vegetables each day.

But did you know that different varieties and colours of fruit and vegetables provide different nutrients that help children to grow well and be healthy? For example a red fruit or vegetable (such as a strawberry or tomato) has different vitamins to a white fruit or vegetable (like a banana or parsnip). This is why it is a good idea to encourage your children to "eat a rainbow"!

Why not change the type of fruit or vegetables you are sending for Crunch&Sip® every few days or week? Children love crisp, colourful vegies and sweet, juicy fruit, and changing the variety makes sure they don't get bored with the same choice over and over. So mix up the colours for Crunch&Sip® every week!

Merimbula Public School

Canteen News:

Bahamas Food Day Thanks: Thank you to Ms Sandra Bunce our Canteen Supervisor and to all of the parents and carers who assisted on International Food Day on Wednesday. The menu items were once again a treat! Delicious.

Early Stage 1 (Kindergarten) and Stage 1 (Year 1 and 2) News:

Excursion: Students in K-2 have had a wonderful time on their excursions to Bournda Environmental Education Centre. They explored animal habitats, the needs of living things, the importance of sand dunes and looking after our beaches and waterways, and they especially loved looking for small animals using microscopes and bug viewers. This hands-on learning has been a wonderful part of our teaching and learning program.

AFL Skills Day: The AFL skills day was a wonderful opportunity for all students in K-2 to learn valuable ball skills relevant to AFL. Students moved through a series of skill stations which included hand/eye/foot coordination, throwing and catching, balance and awareness games.

Athletics Carnival: The K-2 Athletics Carnival will be held on 7th June on the school oval from 11.40pm to 1.40pm. Students have been practising their athletic skills during weekly sport lessons and have been eagerly preparing for their running races. We invite parents to attend and cheer on our young athletes.

Stage 2 (Year 3 and 4) and Stage 3 (Year 5 and 6) News:

Athletics Carnival: Students will be learning field event skills such as: Discus, Shot Put, High Jump and Long Jump throughout sport sessions each Thursday. Once skills have been taught (commenced Week 2) we will begin culling throughout the Term until we have the Finalists (which will be communicated via Facebook). The Athletics Track events will be held at Berrambool on Wednesday, June 7th (Week 7).

3-6 Athletics Carnival - PROGRAM:

9.45am Start

800m:

*Junior Boys
Junior Girls
11 years Boys
11 years Girls
Senior Boys
Senior Girls*

200m:

*Junior (8, 9, 10 years) Boys
Junior (8, 9, 10 years) Girls
11 years Boys
11 years Girls
Senior (12 & 13 years) Boys
Senior (12 & 13 years) Girls*

100m:

*8 years Boys
8 years Girls
9 years Boys
9 years Girls
10 years Boys
10 years Girls
11 years Boys
11 years Girls
12 years Boys
12 years Girls
13 years Girls*

100m age finals where required

4 x 100m Relays:

*Junior Boys
Junior Girls
Senior Boys
Senior Girls*

2:00 Clean up & pack up

2:30 Walk back to school

Canberra Camp: Stage 3 students have been given a detailed itinerary of the Canberra Camp which was sent home during the last week of Term 1. They have also been given a detailed list of meals over the duration of the camp. If you haven't paid the camp in full, the final instalment is due on Friday, 9 June 2017 (final payment). We will be having a number of additional fundraising events to help subsidise this camp. These will include:

- Mufti and Spider Day (Friday, June 9, 2017)
- 5c drive (Weeks 2-6, Term 2). The winning class will be announced in Week 7 and will be treated to a pizza party courtesy of Pambula Merimbula Golf Club.

Homework: Stage 2 and 3 students have been set a homework task and are encouraged to complete the project by the due date and submit to their class teacher.

Multicultural Speaking Competition: Our 2017 Multicultural Speaking Competition will be held on Wednesday, May 31st in the Jackson Hall (11.40 – 1.40) and the Spelling Bee Competition will be held at the same time on Wednesday, August 2.

News From Our Support Classes:

Around the South Coast: The support classes have been working on their daily exercise and set themselves the challenge of completing a running challenge. This program saw the classes run each morning around a 200 metre course to start their day. Each class tallied their results and marked the distance they travelled on a class map of the Far South Coast. The course took the class around different localities in the local area such as Wolumla, Bega, Cobargo, Bermagui and Tathra. To complete the challenge each class needed to run 164 kilometres. This challenge has been successfully completed by all three classes.

Bug Survey: The support classes were involved in exploration of bugs. The Bournda Environmental Education Centre came to our classrooms and brought along water samples from local waterways. The classes were responsible for collecting the bugs they found in the samples and then worked on identifying them. These results were tallied and provide information for future audits for comparisons.

Master Chef: With the new kitchens that have been installed the support classes have been working on their cooking skills and this week have made chicken schnitzel. The process saw the students learn about tenderising the chicken and how to crumb them. There were lots of smiling faces when they were able to bite into their freshly cooked burgers.

Bournda Excursion: Students from the learning supports classes in Stage 1 went along with Year One to undertake an excursion to the Bournda Environmental Education Centre. It was a great day where students looked for living things and the impact that humans can have on the environment. There was even a bit of sand dune riding.
