

Merimbula Public School Newsletter - 2018

MESSAGES FROM THE PRINCIPAL

IN THIS ISSUE

School News

by Ms Michelle Hulme

Term 3 News: The first half of Term 3 has been another busy and rewarding time at Merimbula Public School. We have had another successful Open Day and Education Week Assembly, combined with our SRC Inductions and Athletics Carnival Presentation; students have taken part in University of NSW assessments with high results; our Dance, Choir and Recorder Groups have performed at the SCLC Performing Arts Festival; Stage 1 enjoyed Science Week with a trip to the travelling Questacon expo; we have had students attend regional finals of sporting and academic events; and our staff have hosted workshops and training days for other local schools.

Congratulations to all staff and students for an amazing 5 weeks! A special congratulations to the students who have represented our school in leadership, academic, arts and sporting ventures. You all make us proud with your amazing efforts and achievements.

Staffing Changes: Congratulations to Mrs Anna Charlton and Mrs Erica Bell who have both been appointed positions at Pambula Public School. Mrs Mary Pearce and Mrs Jane Richmond will now be sharing the role of Learning Assistance and Support Teacher, with Mrs Charlton leaving. Thank you Mrs Pearce and Mrs Richmond for taking on this role!

Mrs Ashley Bradden will be returning to our school to replace Mrs Erica Bell. She will be teaching 3S during Mrs Stafford's Executive Release time as well as during her maternity leave. We are so lucky to have Mrs Bradden returning! She will commence her new role from next Tuesday. Thank you Mrs Anne Richardson for filling in for Mrs Bradden in the meantime.

Thank you to Ms Erna Gaynor for also coming back to Merimbula Public School. Ms Gaynor is also fulfilling a part-time role in the school taking Executive Release for Mrs Brewer. Mrs Kellaway has also returned to our school. She will be releasing Mrs Fowler on the days she teaches Japanese. If you would like to meet any of these new/returning class teachers, please contact the office to arrange an appointment.

Year 5 OC Class To Go Ahead!

We are really excited to be working with Aurora College to offer more opportunities for our talented students!

Page 2

Term 3 Calendar

Check out the Term 3 Calendar update for upcoming events! We have also included changes to our Japanese timetable.

Page 8

Cover Photo: Our lovely K-2 playground.

Berry Street Education Professional Learning and Feedback: As shared in previous newsletters, our school has been learning about the progressive Berry Street Education Model of Trauma Informed Teaching and Learning Strategies. The course is designed to “enable teachers to both increase engagement with challenging students and improve all students’ self-regulation, growth and academic achievement.”

Last week, Brendan Bailey, one of the course trainers (who is also a teacher) came to our school for two days to work with our staff and give feedback as to what is working well, as well as areas of future improvement that can further support our students. We were very fortunate to have him work with our staff and share with him our success stories and ideas for feedback. He has shared, in his formal evaluation:

“It was a pleasure to spend two days at Merimbula Public School, which is clearly a school with a very positive culture of learning and teaching. The collaboration and mutual support between staff is a definite strength of the school, and structures are in place to ensure this occurs. The school as a whole are engaged with pedagogical research and are constantly looking for new ways to work with all students.

The school’s engagement with the community is also excellent. From breakfast club to after and before care, from the impressive communication channels to the visits from sporting and community groups, Merimbula Public is a pillar of strength in this district, and should be commended for their continued efforts to build this.”

More information about his evaluation will be shared at the P&C Meeting and within our Annual School Report.

P&C News: Our next P&C Meeting will take place on Monday September 3 between 6.30 and 8pm at Club Sapphire. New faces are always welcome.

Mrs Elisabeth Larsen will be coming along to talk about Ethics Classes. Mr Ben Kirk will be coming along to meet everyone. Mr Kirk has been relieving as an Assistant

Principal for the last two weeks and he will take on the role of Stage 2 Teacher while Ms Stafford is on Maternity Leave. Mr Kirk teaches (and will continue to teach) 6K. He will also be talking about the Aurora OC Class Opportunity at our school.

Our ‘School Learning and Support’, ‘Home Reading’ and ‘Compliments and Complaints’ policies are all currently under annual review. They will also be discussed at the P&C Meeting; together with the Berry Street Education Model and recent school evaluation.

Canteen Menu & Volunteers for Term 3: Our Term 3 Canteen Menu was sent in Week 1. It is available on our web site and School Stream app for your convenience.

Sandy Canteen Menu - Term 3, 2018		Snacks	Drinks	Frozen Treats
Monday	Tuesday	Wednesday	Thursday	Friday
Chicken Nuggets Veggie Burgers Fruit & Yogurt Soft Drinks Water Milk	Veggie Burgers Chicken Nuggets Fruit & Yogurt Soft Drinks Water Milk	Veggie Burgers Chicken Nuggets Fruit & Yogurt Soft Drinks Water Milk	Veggie Burgers Chicken Nuggets Fruit & Yogurt Soft Drinks Water Milk	Veggie Burgers Chicken Nuggets Fruit & Yogurt Soft Drinks Water Milk

If you have any time to spare this term or next **WE NEED YOU!!!** Even if for only an hour or two. Our school will be hosting a number of workshops over the next 8 weeks and we offer catering to these, in order to keep our canteen viable and costs low. Catering makes it a juggle for Ms Bunce, so any extra support would be welcome!

We Are Starting An Opportunity Class in Term 4! In metropolitan areas, some schools have Opportunity Classes (OC Classes) for students achieving high academic results. There are also selective high schools which these students can apply to attend. Recently I have shared that our local public high schools have been offering virtual selective high school classes, and that our school was applying to trial a virtual OC class from our school. We have been successful in gaining the opportunity to offer three of our students the opportunity to be part of Aurora College, by being part of an OC class for part of their school day. Jackson Lane, Wyatt Pursell and Rafael Chabrier (Year 5 students) will be logging in virtually, via Skype-like technologies.

The pilot for the virtual OC classes will commence in Term 4 this year. There will be 48 Year 5 students from 20 public schools taking part in the virtual lessons. The pilot program will investigate whether the approaches used by Aurora College can be used to establish a virtual opportunity class provision in areas of rural and remote NSW where a ‘terrestrial’ opportunity class does not currently exist. Lessons for the Stage 3 students will have a focus on Science, Technology, Engineering and Mathematics (STEM), drawing on the Mathematics and the Science and Technology syllabuses.

Congratulations students on having successful applications! Thank you to all of the students and parents who applied to try and get such an amazing opportunity in our area. Thank you to the Year 5 teachers and Mr Kirk for the support given to the students and their families during the application process.

An information session for our Year 5 participating students and their families will be held in our video conferencing room on Tuesday, September 4 from 3.30-4.30pm. A note has been sent home today regarding this information session.

NAPLAN Online Assessments: This week all of our Year 3 and 5 students are sitting NAPLAN readiness tests online, unless they were exempt from the tests in May. These assessments allow our school to trial the software and experience prior to all schools completing the assessments online in the coming year. These sessions are not official tests.

More information about the online assessments was sent home in a note last week. The note can be accessed via our web site.

Grant Received! Congratulations to Mrs Hodsdon on your successful grant application. Mrs Hodsdon has received a \$20,000 grant for our school from the Minister for Transport and Infrastructure, as part of the 2017-19 Country Passenger Transport Infrastructure Grants Scheme. This funding is to be used to place bus shelters alongside our school should a

'stop and drop' zone be approved by council. We are continuing to work with the P&C Traffic Committee, and council, to address the issues of parking and pick-up/drop-off zones around the school.

Recorder News: Our advanced recorder group will soon need some new members! We have just received the music and information for the 2019 Festival of Instrumental Opera House performance. Mrs Fowler will soon be recommencing recorder lessons with interested students. Should we have enough interest, we will again apply to be part of this amazing experience. Advanced Recorder Ensemble rehearsals will now take place every Tuesday at lunchtime in the Year 4 classrooms.

WAR on WASTE: We live in such a beautiful part of the world with clean air and magical waterways, but waste is an ever, increasing problem. Merimbula Public School has decided to wage a 'War on Waste'. We have put together a team of 'Waste Warriors' to tackle our problem of the huge amount of waste we send as a school to landfill each week. It will be their job to help teach and encourage students to reduce the amount of waste leaving the school.

As of the start of Term 4, students, with the help of the Waste Warriors, will be sorting their waste into recyclables, compostable and landfill. The waste for landfill will be put back into students' lunch boxes and sent home.

We will not be 'policing' lunch boxes to 'make' students bring in food with no plastic/non-recyclable waste. We will, however, be getting children to take non-recyclable waste home for parents to be aware of and dispose of. This will also save our school a considerable amount of money. Currently we spend around \$14-\$20 per bin per week for tip collection. This amounts to \$8,500 annually, not including tip runs by the grounds keeper. We hope, with your help, we can win the War on Waste, reduce our bin collections and costs; and together become more aware of the rubbish being sent into and from the school. Parents and Carers are most welcome to join our Waste Warriors Team!

Ways to reduce the amount of waste brought to school:

- Use a lunch box that has separate compartments. These can be found at places like Woolworths, Big W, Tupperware etc and start from \$4.00 and up.
- Buy large packets of biscuits, chips or tubs of yoghurt and place a small amount in small container/s that can be washed and reused. This saves money and reduces waste. Prepacking on the weekend also saves time!
- Use bees wax wraps to wrap sandwiches instead of glad wrap.
- Reuse sandwich bags. They can be washed or reused if clean.
- Ask students to help pack their lunch.
- Use a drink bottle to refill rather than having poppers or milk. Another way to save money and reduce waste.

Our K-2 eating area and tables (purchased by the P&C) have been moved to a warmer area without all of the echoing. Pictured are our recycling and compost bins. Our big red rubbish bin will not be there in Term 4!

Japanese 日本語 By Fowler Sensei

For the remainder of the term, students will continue to explore the Japanese culture and language through a range of topics. Years 5 and 6 can access links to additional vocabulary lists via Google Classroom. The lists are not compulsory to learn but I have made available to encourage independent learning.

There are many free apps available to assist with foreign language learning. I have recently delved into Duolingo <https://www.duolingo.com/> and found this an engaging site to learn Japanese for all levels.

Japanese club takes place every Friday lunch in the Year 4 classroom. All students from K-6 are welcome.

SCLC Stage Band News: The SCLC Stage Band will be rehearsing at Bega HS on Thursday August 30 (4.30-6.30pm) and on Monday September 10 (9am-3pm). The Western Tour has also been confirmed. Students will be travelling out west to perform at a range of events and schools from October 16-20.

A note has been sent home today with more information about coming band events for participants. If you would like to know more about the SCLC Concert Band, or how your child can audition for it once they are in Year 5 and/or 6, please contact Mrs Candy McVeity at Bega Valley Public School.

Family Classes Cook Up! Our family classes have fun cooking each Tuesday! Today they made cheese topped lasagna cups with lots of fresh ingredients!

Pictures: Jeron, Jaz and Charlie love cooking in our fully equipped kitchens!

Stewart House Fundraiser: We will be selling high bounce handballs on Friday 14th September before school and during both breaks (until sold out). They are \$3 each and all money raised will be going towards Stewart House.

School Photos: School photo envelopes for individual and class photos were sent home last week. Family and representative photo order envelopes are available from the front office. Our school photos will be held on **Tuesday September 18** and **Wednesday September 19**. Information about the school photos, and approximate photo times, are available on our web site in a handout that was sent home last week.

Book Parade: Please check the green insert on this page of the newsletter. It details all you need to know about our upcoming Book Week Celebrations, Book Fair and Book Parade. Books can be viewed in the library all of next week, ready to be purchased next Thursday.

Our Book Parade will be held on **Thursday September 6 (NEXT WEEK)**. Parents, caregivers, family and friends are welcome to attend. We would also love for parents and preschoolers to dress up and parade with us! Thank you to Mrs Feneck for organising this event!

Term 3 Discos: Our Term 3 Fundraising Discos will be helping to raise funds for our desperate farmers!

The K-2 Disco will take place on **TUESDAY SEPTEMBER 25**. The theme is: "Farmers and Farms". Children may like to dress up in farming-style or country clothing, or their favourite farm animal (wearing a onesie).

The Years 3-6 Disco will take place on **WEDNESDAY SEPTEMBER 26**. The theme is "Flanalette".

Flanalette/country style shirts like this one can be worn to school on Disco Day. Entry will be \$2 at the door. All money raised will go to support our farmers!

Merimbula Public School Book Parade

Date: Thursday 6th September **Time:** 11:45am-1:25pm

This year we will be holding our annual Book Parade and Book Fair in week 7!

The theme this year is 'Find Your Treasure'.

The **BOOK PARADE** will be held on **Thursday 6th September at 11:45 am in the Jackson hall**. We are asking children to dress up as a book character on this day. Costumes can be homemade, recycled or purchased. The most important thing is dressing up, participating and having fun! You can find simple ideas through the internet on sites such as Pinterest or by Googling 'Book Week 2018 Costume Ideas'. Parents and staff are encouraged to dress up too!

Books are available for purchase and will be displayed in the library during our **BOOK FAIR**, which will be held from Monday 3rd September – Thursday 6th September. The Merimbula Newsagency will be supplying the books and a percentage of all books sold will be donated back to the school library.

Children will visit the **Book Fair** during their Library time or with their classroom teacher. They will be able to browse the books and create a wish list. **On Thursday, Merimbula Newsagency staff will be available so that children and parents can purchase or order books.** You may use cash, and eftpos facilities will also be available. If you are unable to attend with your child, you can send the money with them in a school money envelope or wallet. The fair will continue until Thursday afternoon.

Parents and friends are welcome to join their children on Thursday 6th September for both the Book parade and to purchase books from the library. We hope to see many members of our school community having fun while we celebrate reading!

Stage 3 News

by Ms Manda Brewer

Year 6 Plays: In recent weeks, Year 6 students have been learning how to write a script for a play. Teachers from all three Year 6 classes have chosen 4-5 exceptional scripts from their own class to be performed in our school Hall on Wednesday, 29th August from 11.50-1.25pm. Students who did not have their scripts chosen will be acting out roles from the chosen scripts. If you are available, we would love for you to come along and watch our performance.

Zone Athletics: Congratulations to all students who took part in the Zone Athletics Carnival on August 18. The following students will be heading to the **Regional Athletics Carnival on Friday September 14:** Brianna M, Elise B, Ruby S, Charlotte L, Kellie P, Hollie S, Harry B, Ashton R, Walter B, Jayden R, Nathan H and Campbell L. Great work students!

Graduation Bear/Ball: This year children in Year 6 have the opportunity to purchase a high quality graduation bear, football or soccer ball for family and friends to sign. This is a great memento of their primary school years. Each memento comes with a BIC pen so the students can obtain all their friends' signatures. The items cost \$15 each and students were sent home an order form last Friday.

Homework: This Term in Geography, Stage 3 students are exploring the many ways in which Australia connects and interacts with its Asian neighbours. The

homework task requires students to choose and research one country in Asia and display their findings in a method of their own choosing. Homework tasks are encouraged to be completed by all students in Years 5 and 6 to help consolidate their learning as well as establish a sound homework routine in the lead up to high school. It is also encouraged that students put time aside each night to read a book and/or have a story read to them.

Elective Sport: Our Elective Sport program commences in Term 4 during the Weeks of 2, 3, 4, 5 and 7 on Thursdays during the middle sessions. An elective sport 'preference' permission note will be sent home this week. Students are encouraged to return their preference notes to their class teacher as soon as possible to avoid missing out on their first or second choice.

Year 5 and 6 camps in Term 4: Students will receive all relevant information regarding meals, a detailed itinerary and a medical note in the coming week.

Stage 2 News

by Mr Ben Kirk

NAPLAN Online: This week students in Year 3 will be taking part in the online NAPLAN readiness test. The test will be held in our VC room and school library on Friday 31st August, 2018 (Week 6). This is an important step in eliminating paper based testing and moving forward towards computerised assessment in the future. Students in Year 3 will only be required to sit one exam and timetabling has ensured the process will only cause minimal distraction of regular scheduled class lessons.

Spelling Bee: During Term 3, Stage 2 held its annual Spelling Bee which started with in-class competitions. This saw sixteen spelling gurus move through to the Stage 2 final. In Week 5 the hotly contested final took place in Jackson Hall with all students doing their absolute best. At the end of the day Grace R took out first place, with Elise B and Sunny H

gaining a podium finish in second and third. Congratulations to our winners and all students involved.

Lunchtime Cup: Stage 2 have also been competing in the highly prestigious Lunchtime Cup during their lunch break. Students have shown great sportsmanship and competitiveness as they play in the six-a-side soccer competition. Teams have completed their pool rounds and eight teams will now move through to the knockout stage to fight it out for the title of Stage 2 Lunchtime Cup Champions.

Bournda Creative and Talented Days: Throughout the term selected Stage 2 students have had the opportunity to attend additional educational workshops with Bournda ECC to consolidate and extend their knowledge in Science and Geography. Students had the opportunity to use technologies to track animals in their environment as part of the Junior Ecologist workshop. At the Going Ape workshop, students learnt about chimpanzees and the destructive impact of humans on their habitat. Lastly, students had the opportunity to conduct environmental experiments in the science laboratory.

"My favourite part of the Bournda excursion was making bees wax wrappers for our lunch instead of using plastic." Kati Feneck

"We learned how to make worm farms." Macy Rickards

Zone Athletics: Some of our very talented Stage 2 students represented our school at the Zone Athletics carnival in Bega. All students did their very best representing Merimbula Public School

and we had some excellent results. Congratulations to Elise Brodie and Harry Blewitt who have been selected in the team to represent the Far South Coast at the Regional Carnival in Canberra.

SRC Reps: Classes have recently voted in their Semester 2 SRC representatives. The selected students will attend meetings at lunch time to discuss important things happening around the school and relay this information to their classes.

Year 3 SRC Reps – Billy Hughes, Elise Brodie, Josie Lane, Brody Kellalea

Year 4 SRC Reps - Daniel Cummings, Ryan Denaro, Rali Badullovich, Jack Stephenson

Exciting Upcoming Events: Jindabyne Snow Camp – Monday 10th, September – Wednesday 12th, September.

Todd Woodbridge Cup – Wednesday 12th September.

Stage 1 & Kindy News

by Mrs Corinna Mace

This Term - What's On In Class: Kindergarten have been busy exploring their unit 'Paddock to Plate'. Students observe a range of farm animals and farm produce, and explore ways farm produce is packaged before being moved from the farm to places where the food is sold or made into other products for sale. Also, a reminder that our home readers are changed Tuesdays and Fridays. Children are to be encouraged to read and reread their readers until they are fluent before changing them.

Mrs Clough has been teaching a dance lesson for the stage during lunch breaks and is preparing the students for a performance at the end of the term. Years 1 and 2 are on Mondays 1st break and Kindergarten are on Wednesdays 1st Break.

Year 1 have been exploring water and have completed a water cycle experiment in a zip lock bag. They are discovering condensation and how the rain cycle works. During Literacy they have been working on persuasive writing and are finishing their writing on persuading the school to get a toy library for students to borrow from. In Math they are developing their skills on subtraction.

Year 2 have been working hard on their persuasive texts. They have been writing to their parents and carers to attempt to persuade them to get an item the students really want. These things ranged from a puppy to a cubby house. During math, they have been learning about measurement, groups and arrays to develop their multiplication skills.

As always, if you have any concerns or questions, please contact your child's teacher through the front office. If you require further assistance, please contact Ms Bain or Mrs Mace. We look forward to another busy and exciting term.

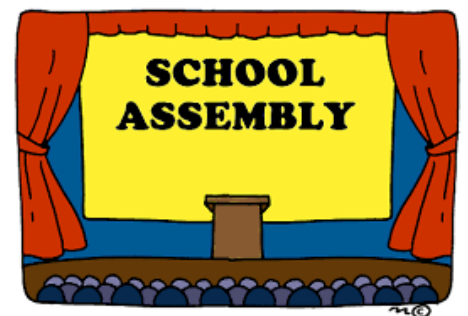

2B Teacher Change: Ms Bain is taking Long Service Leave from 20 August until 28 September. During this time, Mrs Mace will be taking 2B on Monday, Tuesday and Wednesday. Mrs Shook will continue with her regular days, Thursday and Friday. Mrs Robson will teach 2M full time. Mrs Mace will also relieve as Assistant Principal for K-2 students.

Supplies: Could you please assist us by ensuring your children (if they are in Year 1 or Year 2) have the correct equipment for school. We lose valuable learning time when children are searching for their pencils etc. They should have two lead pencils, an eraser, a glue stick and a whiteboard marker at a minimum. It would be great if they could also have coloured pencils, textas and headphones. Kindergarten would also like some more tissues please.

Science Week Excursion: During 'National Science Week', Stage One went on an excursion to the Bega Civic Centre and Bega River with the Bournda Environmental Education Centre staff. One of the national themes this year is 'Game Changers and Change Makers' referring to individuals, teams,

technologies, or ideas that are shaping our modern world. At the Bega Civic Centre, Stage 1 interacted with many different science puzzles, riddles and hands-on activities displayed by Questacon. They also experienced some of the latest technology in STEM including virtual reality, 3D printing and robotics. Afterwards, we walked to the Bega River to conduct some water experiments, discussed the water cycle and effects of drought for our Science unit 'Water Works.' All of Stage 1 couldn't stop smiling and talking about all of these innovative learning experiences! A huge thank you to all students who participated, Stage 1 staff and Bournda Environmental Education Centre staff for a fantastic day!

Sport: During Term 3 K-2 sport will remain on Wednesday mornings at the same time as Term 2. We have completed 3 sessions of NRL, provided by a qualified coach and are now completing a Dance unit. Children should continue to wear their sports uniforms on Wednesdays.

Assemblies: Thank you K1/V for your wonderful assembly in Week 5. Our second K-2 assembly for Term 3 will be held on **Friday 14th September and will be hosted by KS**. Family and friends of children in KS are invited to attend the Jackson Hall at **12.30pm**.

Book Covering: Last term we received a grant to buy new decodable readers for our K-2 children. This grant was generously increased by our P&C, for which we are very grateful. The books have now arrived and require covering so that we can use them as soon as possible. If you are able to assist with this task, could you please contact the school office and we will arrange to get the books to you. Thank you.

SoundWaves and iMaths Passwords:

Many parents have requested these again. **Soundwaves:** Students enter this code at www.soundwaveskids.com.au Year 1 password - tail467; Year 2 password - sail532 **iMaths:** Students enter this code at www.imathskids.com.au Year 1 password - tooth663; Year 2 password - quiz213

Special Education News

by Mr Brenton Mace

Questacon: Stage 1 students from FV and FL went on an excursion to Bega to focus on activities related to the work they have been completing in Science. They thoroughly enjoyed their excursion and were provided with the opportunity to explore different Questacon activities. The kids were able to look through the world of 'Virtual Reality', which took them on a journey through space on a spaceship. The boys were also able to see first-hand what 3D printers make, which was extremely engaging for all them. After their Questacon experience they went to the Bega River and explored the area with the guidance of Bournda Educational Environment Centre.

FV Class News: This week FV have been working on a maths project regarding angles. The students made a teepee as a whole class. The main focus of the activity was looking at acute angles of the teepee. The boys enjoyed the hands on experience and did a great job in identifying angles.

FM Class News: 'Mindfulness' Why do we need to practice our breathing? Daily breathing and stretching activities are helping us to stay calm and focussed. When we spend time concentrating on our breathing we can calm our mind and our body. The boys all got into the right frame of mind today and were ready to learn.

Pictured on this page: Our family class students having a great time learning this term.

FL Class News: FL have been working very hard all term. We have been looking at chemical reactions and what things are reversible and irreversible. FL have been working hard during our literacy and numeracy rotations every day. Our weekly shopping is still a hit with a special surprise of a Woolworths Discovery Tour in the coming weeks.

SCHOOL CALENDAR – TERM 3, 2018
