

Scripture, Special Religious Education and Ethics 2018 – Classes Update

Tuesday, March 6, 2018.

Dear Parents and Caregivers,

Christian Special Religious Education (SRE) and Catholic Scripture classes have been offered to each stage group for 2018 (ie there is a Kindergarten class, a Year 1/2 Class, a Year 3/4 Class and a Year 5/6 Class). Classes will take place each Friday from this week, between 11.40am -12.20pm, for all grades/groups.

Philosophical Ethics classes were also offered to students this year, however teachers/volunteers have not been secured therefore these classes will no longer take place.

Enrolment in these classes are based on what preference was indicated on your child's enrolment form, unless you have changed preferences in the meantime (such as by contacting the office or completing the permission note sent home at the end of last year). You are receiving this note as you have nominated that your child takes part in an Ethics class. With Ethics classes not taking place, your child will be placed into the non-scripture group for his/her grade, where they will complete quiet 'catch-up' work or silent reading. Lessons are not allowed to be taught during Scripture/SRE time in accord with Department policy. Alternately, if you would like for your child to attend Catholic Scripture or Christian Special Religious Education, please indicate such on the permission note below.

As shared, if we do not receive a response/the permission slip below, your child will be in the non-scripture group for his/her grade from this Friday.

Regards,
Michelle Hulme
Principal
