## Year 1 Parent Helpers for Maths Groups

Friday June 29, 2018.

Dear Parents and Caregivers,

In Term 3, Year 1 will be operating rotating maths groups each Wednesday between 11.40-1pm. We are seeking parent/grandparent helpers to assist during this time. All helpers will require a current 'Working with children' check, which can be obtained free of charge through the RTA.

We understand that it may be difficult to commit to a weekly time. We have included dates below as you may be able to attend on one or more individual days. Please take the time to check the dates and tick any you will be able to attend, and return the slip to your child's class teacher.

Thank you for your assistance!
