

Merimbula Public School

Wednesday, May 16, 2018

Dear Parent and Carers,

Bournda Environmental Education Centre will be conducting a Waste Audit with students from Year 4 as part of their learning about sustainability and the environment. Students will be involved in discussions about waste and will explore the waste collected at our school. They will be involved in a number of games and will conduct an audit of the bins in our school. Activities may involve handling/observing of small quantities of bin waste. They will be supplied with protective gloves and will use tongs when undertaking activities that involve rubbish. They will also be supervised by a teacher at all times during this process. Following the audit, students will discuss the concept of sustainability and what they can do help our environment and reduce waste in the future.

The audit will be held at Merimbula Public School during school time on Wednesday 23 May and there will be no cost for the incursion.

Yours Sincerely

Tahlia Stafford
Stage 2 Assistant Principal

Please return this note to your child's teacher by Tuesday, 22 May, 2018.

I give permission for my child _____ of class _____ to participate in a Waste Audit conducted by Bournda Environmental Education Centre on Wednesday 23 May, 2018. I understand that my child will be involved in activities that may involve handling/observing small quantities of bin waste and that they will be supplied with protective gloves and tongs when doing so.
