

## School Uniform Jacket - Order Form

Dear Parent / Grandparent / Caregiver,

We are currently taking orders for the school spray jacket that proved so popular last year.

### The jacket:

- Is water resistant and single jersey cotton lined.
- It has 2 outside slip pockets, 1 zippered inside pocket for lunch money and 1 velcro tab i-Pod or phone inner pocket.
- The cost of the jacket is **\$50** this year, and is non-refundable
- The school logo will be embroidered on the front.

A jacket order will be placed once a term so that a bulk order can reduce the cost. This term's order is being placed on **Monday 18th March**. Families ordering jackets this term will be required to return the order form and full payment prior to this date to ensure that the jackets arrive at school Mid Term 2.

Please complete the order form below.

Regards,

Mrs Michelle Hulme – Principal
