

## SCHOOL NEWS

Dear Parents, Carers and Community,

We have had a great start to Term 3, with many cultural, academic and sporting activities taking place for all students, whilst supporting the talent development of students who are gifted or have high potential in one or more areas.

Thank you to the parents/carers and community members who continue to support our students with travel to, and engagement with, extra-curricular activities and events.

Don't forget, if your child requires financial assistance to engage with school activities and events, please let us know so that we can provide student assistance. With increasing cost of living expenses, we understand that school activities and camps, extra curricular arts and sporting events may become a financial challenge/juggle for families at times. As a result, our school has continued to purchase all school supplies for each child in 2024. We will also be sending out a 2025 Excursion, Events and Camps Survey in the coming weeks, to get your feedback on acceptable financial cost expectations for 2025 activities, events and camps before anything is booked for 2025. Please be advised that we will require a quick response for this

survey, from as many families as possible, as some excursion venues are already asking for deposits for 2025 school camps.

Congratulations to all of the students who were elected by their peers to be Semester 2 Student Representative Council Class Representatives. These students will be inducted into their positions at the Week 3, Education Week Assembly on Thursday, August 8 at 9.15am. Parents, carers, family and friends are welcome to this special assembly. The Assembly will take place for approximately 45-60 minutes and will be followed by Open Classrooms. We welcome all parents and carers to come and visit our classrooms at this time.

Regards,  
Michelle Huddleston  
Principal

As shared, the students will be inducted into their positions and will receive their badges at the Education Week Assembly.

**New Aspire OSHC Manager:** Bella Kiely has commenced as the new manager at the Aspire Out of School Hours Care (OSHC) service, working each morning and afternoon. Bella has been with Aspire since November last year, as a casual educator, but also stepping in as manager in the absence of Bega and Merimbula's manager. Please contact Aspire if you have any questions in this regard.

**Before and After School Care and Vacation Care**

**Requirements Survey:** Please complete this survey to inform the Department about your out of school hours care needs. To complete the survey, please select "Merimbula Public School" and answer the questions via the following website: LINK: [Parent Survey](#).

*Please note that survey entries are required before the 15<sup>th</sup> of August. Survey results will be used to determine the ongoing need of the service.*

**Koori Market Day:** Merimbula Public School held their final event as part of our 2024 NAIDOC Day celebrations yesterday. Students have learnt about the importance of trade routes and bartering and the connection to sea and country for Aboriginal and Torres Strait Islander Peoples.

All students made traditional items to trade or barter with their peers in an outdoor market style event. They traded bookmarks, boomerangs, necklaces, message sticks, rain sticks and headbands. It was a great success and fun was had by all! Thanks to Mrs Lawson and Mrs Hodsdon for coordinating the event!

**Consent Reminders:**

**2024 Camp Reminder - Years 3, 4, 5 and 6:** Year 3 and 6 Camp Payment #2 were due by the end of Week 9 last term, with Years 4 and 5 Payment #2 being due today.

Families with outstanding payments are reminded to continue to make regular payments towards the balance. Should your family require financial assistance, please contact our administration team.

**Unexplained Attendance Notification:** As previously advised at the conclusion of Term 2. The daily SMS alerts for students who are marked with an unexplained absence, have now ceased.

From Term 3 onwards, Parents and Caregivers will receive an email notification. Please ensure that the administration office has your current email on file.

### Request For Student To Carry Their Own Adrenaline

**Injector or Asthma Reliever:** For some medications and some students, it can be appropriate for them to carry their own medication to school and at school, for example, an adrenaline injector for anaphylaxis and asthma reliever medication for asthma. For asthma and anaphylaxis it is important for students to have immediate access to their medication.

Please consider whether your child should carry their own adrenaline injector or asthma reliever medication to school and while they are at school. Should they be required to do so, a new form (from the Department of Education) must be completed by parents/caregivers. If you have already completed a similar form in the past, the school will be providing you with the updated form. If your child has asthma, anaphylaxis or the need to carry other medications, and they do not have a form lodged with the school/Department, please request one ASAP. These will also be accompanied by an 'Authorisation to Contact (your child's) Doctor'.

On receiving this completed request form, the school will confirm the arrangements for how and where your child will carry their own medication. Parents must supply an asthma reliever or at least one prescribed adrenaline injector to the school. This adrenaline injector must be either carried by the student or held by the school. Please note that this form is not a substitute for the ASCIA Action Plan for Anaphylaxis or the Asthma Action Plan signed by the student's doctor.

**2025 Kindergarten Enrolments - NOW DUE:** Parents/carers of children commencing school in 2025 are encouraged to complete an online enrolment as soon as possible, to ensure that we have adequate staffing and classrooms for what is predicted to be another large cohort of students. We do not have two full Year 6 classes this year, and expect to have 3 or 4 Kindergarten classes, so are likely to need another demountable classroom for the new year.

Online enrolments can be completed via the following link:  
<https://merimbula-p.schools.nsw.gov.au/about-our-school/enrolment.html>

2025 enrolment interviews will be finalised in Term 3. If you have a child coming to kindy next year, please complete the online enrolment ASAP and one of our administration staff members will get in touch to book you and your child's interview with the principal and school tour.

If you are still making a decision on your choice of school, or whether your child is ready for school, please call our enrolment officer, Mrs Jackie Roberts, on (02) 64951266 to arrange an interview and school tour with the principal.

Families needing support completing an enrolment form should contact our office for assistance. Paper-based application forms are also available.

**P&C News:** The next P&C Meeting will be held at **6pm on Monday, August 12** in the Merimbula Public School Staffroom. New parents, friends and guests are welcome to attend and collaborate with our team to develop current and new initiatives for our wonderful school.

## 100 DAYS BRIGHTER

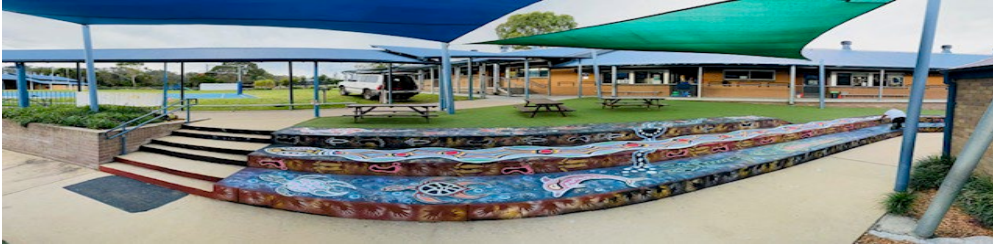

On Wednesday this week, Kindergarten students celebrated a special milestone, celebrating 100 days of learning!

Congratulations to all our Kindergarten students.

**Canteen News:** Welcome Mrs Jess Kingma to our team! Jess had her first day as Canteen Supervisor today!  
**Remember the canteen is now open 5 days a week!**

Canteen volunteers are always welcome! Please contact our administration office if you are interested in assisting in our canteen, and possibly doing some casual work.

### School Musical

**News:** School Musical

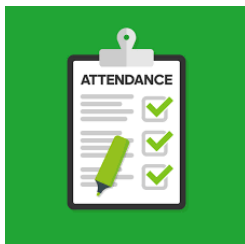

rehearsals will take place in the Jackson Hall throughout Term 3, not in the 5H classroom as per Term 2. Whilst students pleasingly know the majority (if not all) of their lines, they should know them all by the end of Week 5 this term. Students should continue to bring their script to school each day, despite some days focusing on singing and choreography where scripts will not be required.

Musical rehearsals will continue to take place at the following times in Term 3: Monday and Tuesday - Recess, Thursday and Friday - Lunchtime. Students should be ready to attend rehearsals each day. Daily reminders of specific cast members required to attend daily rehearsals will be shared in class. An updated rehearsal schedule will be shared with students in the coming week

### Attendance Expectations:

Students are expected to attend school each day, unless they are unwell

or have permission for leave from the Principal (for an extended absence). It is the responsibility of schools to support parents/carers by monitoring student attendance and helping to address attendance issues when they emerge.

Attendance letters are sent home: when students have unexplained absences, to students who are frequently late or who have more than a 10% absence rate (having 1 or more days off school a fortnight).

Continued absences, following an absence reminder letter, may result in a child requiring a medical certificate for future absences. Subsequent letters result in referral to the Home School Liaison Officer. Should these interventions fail, applications to the Children's Court for a Compulsory Schooling Order will be made by a member of the regional attendance team.

### Unexplained Absence Notifications:

As previously advised at the conclusion of Term 2. The daily SMS alerts for students who are marked with an unexplained absence, have now ceased.

From Term 3 onwards, Parents and Caregivers will receive an email notification. Please ensure that the administration office has your current email on file.

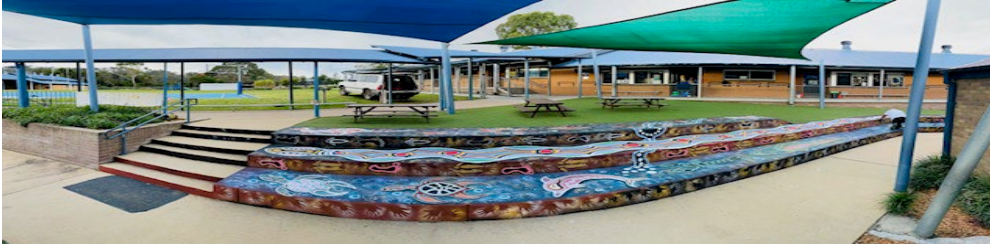

**Family Class News:** Welcome back to Term 3 Support Class families. This term, we are excited to be mixing our family class groups for our Life Skills program. Our activities are gardening, cooking, shopping and walking. We will be rotating through each activity every two weeks. Keep an eye out for a permission note on Compass over the next couple of weeks.

This term, FM will continue visiting Eden Marine High School as part of our transition to high school program. A permission note with all the dates and information will become available this week.

As always, our Support Classes will continue to follow the programs of their mainstream peers, including, Conceptual Units (Geography this term), PD/H/PE and Creative Arts. Please refer to the appropriate newsletter item to find more information on the topics that will be

### 2024 Koori Market:

covered either in your child's Support Class or Home Class (if your child transitions for a particular subject).

Erica Bell – Support Class Assistant Principal

### Kindergarten News:

Welcome back to Term 3. We cannot believe we have celebrated being at school for 100 days already and we look forward to sharing your child's learning and achievements with you at our 3 way conferences.

During our literacy sessions we will be continuing with our InitialLit lessons focusing on learning new sounds and characters this term, as well as, learning to read our 'Tricky words' which you can find in your child's Home Reading diary. For writing this term we will be looking at 'Fairy Tales' and are planning a Fairy Tale ball to bring the unit to an end towards the end of the term so watch this space!

To align with our Fairy Tale ball, our PE unit this term will be a dance unit, teaching our students some dances they will use at the ball. In sport, we will be playing invasion games to allow children to use the fundamental movement skills they will be practising during PE sessions in a game situation.

During Mathematics, we will be looking at the following 'big ideas' over the term:

- Collections of 10 are really useful
- Patterns have something that repeats over and over and over
- Making and using equal groups
- What needs to be measured determines the unit of measurement and
- A fraction (like one half) can mean half of a collection, half of an object or half of a measure. A whole unit can be partitioned into smaller parts.

Our PDH unit will be around safe and unsafe feelings and how to keep ourselves safe.

In Creative and Performing Arts, all classes will continue to learn songs and dances for this year's upcoming musical, "Annie". They will also be making art works and props for this production.

As always, please reach out if you have any questions. We look forward to seeing what our students will achieve in their next 100 days of learning!

Corinna Mace - Kindergarten Assistant Principal

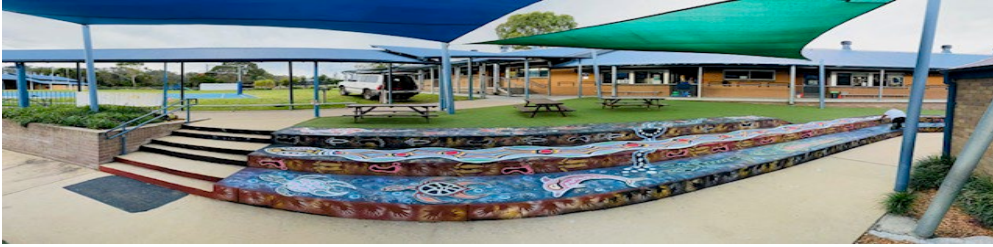

### Stage 1 (Years 1 and 2 News):

Welcome to Term 3. We are now halfway through the year and we look forward to discussing your child's progress with you at our upcoming 3 Way Conferences. Year 1 will be taking part in the Year 1 Phonics Screening Check this term, along with all Year 1 students in NSW. Below is an outline of this term. Please take the time to read it so that you can support your child. We look forward to some great learning opportunities and fun times.

We will continue to follow the InitialLit program in English in both Year 1 and Year 2. The Term 3 Home Reading Diary will be sent home in your child's home reading folder early this term. We will also be adding the next set of Tricky Words so that children can practise them at home. In writing, we will continue to explore how to create written texts by studying rich literature picture books and learning the components of perspective and argument; narrative; context; representation; imagery, symbol and connotation.

In Mathematics, Year 1 will focus on whole numbers, mass, addition and subtraction, 2D shapes, multiplication

and division and Time. Year 2 will be studying whole numbers; 3D objects; addition and subtraction; time; mass and multiplication and division. Children will continue working on their Maths Passports. Teachers will set Mathseeds tasks so that children can revise concepts learnt in class at home. If you require your child's password to be reissued, please contact your child's teacher.

Our Conceptual Unit will focus on Geography, specifically Australian places and our location in the world. We are hoping to attend an excursion to Bournda Outdoor Environmental Education Centre to support our learning in this area.

In PDHPE, children will continue to develop their fundamental movement skills such as throwing and catching, with the aim of using these during Sport time. Children will participate in a health unit called Food Safari. They will learn about the links between health and physical activity and be encouraged to make healthy and safe choices for their wellbeing.

In Creative and Performing Arts, all classes will continue to learn songs and dances for this year's upcoming musical, "Annie". They will also be making art works and props for this production.

In sport, we will be playing invasion games to allow children to use the fundamental movement skills they will be practising during PE sessions in a game situation.

Vanessa Bain – Stage 1 Assistant Principal

**Stage 2 (Years 3 and 4) News:** Welcome back to our Stage 2 families for Term 3, 2024.

Sport and PE: Stage 2 Sport will continue to take place on a Friday (12.15pm to 1.15pm and 1.55pm-2.55pm) in Term 3. Please ensure your children have comfortable joggers to wear, a hat and extra water for the day. Sunscreen will be available. This term in Physical Education, we will be focussing on game sports and athletic skills in preparation for our Jackson Cup. However, from Weeks 6-9, students will be participating in the Elective Sports program on a Thursday. More information regarding this has been shared via Compass.

English: Stage 2 will be continuing their novel studies as well as a poetry focus.

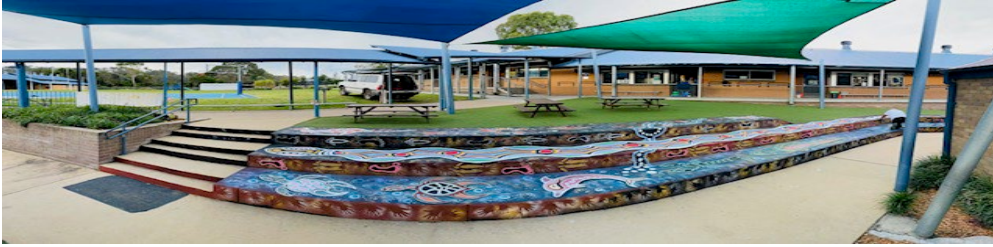

Year 3 Text Study: Students will be studying *The Iron Man* by Ted Hughes, and will include an Informative writing focus.

Year 4 Text Study: Students will be studying *Storm Boy* by Colin Thiele, and will also include an informative writing focus.

Spelling and Grammar: Will continue to be supported by the Soundwaves program.

Year 3 and 4 Mathematics: Lessons will be focussing on place value to order, read and represent numbers including decimals; Mental and written strategies for addition, subtraction, multiplication and division problems including money. The use of simple maps and grids to represent position; Mass; Angles and Chance events.

**Conceptual Unit:** Our Conceptual Unit will incorporate all Key Learning Areas across the year. The unit of work this term will incorporate Mathematics, English, Geography, History, Science and Technology and Creative Arts. It will focus on the concept of Places. Students will explore the natural and human features of Australia. They will locate these features, along with States, Territories and Capital Cities using maps. Using a range of geographical tools, they will locate and describe Australia's Neighbours. Students will compare Australia's features, demographics, natural vegetation and animals with neighbouring countries to explore similarities and differences.

**In Creative and Performing Art,** all classes will continue to learn songs and dances for this year's upcoming musical, "Annie". They will also be making art works and props for this production.

**Personal Development and Health:** Will focus on bullying and resilience, and strategies to make students feel comfortable and safe. They will explore how empathy, inclusion and respect can positively influence relationships.

Janelle Hodsdon - Stage 2 Assistant Principal

**Stage 3 (Years 5 and 6) News:** Welcome to Term 3!

**English:** In Term 3, Stage 3 will explore information reports and poetry. Each year group will focus on a set text to help guide their teaching and provide explicit content to demonstrate concepts to students. Year 5 will explore the text Convict Boy, by Tom Apple and Year 6 will investigate Once, by Morris Gleitzman. Each grade will be using the text to explore explicit

reading strategies, vocabulary and sentence structure.

**Conceptual Unit:** Within our conceptual unit Changes, students will explore the impact bushfires have on Australian people, places and environments, and will propose ways people can reduce the impact of bushfires in the future. During the unit, students will undertake art activities based upon learning tasks they encounter.

**Mathematics:** In Mathematics, students will focus on the strands of representing numbers using place value; additive relations, multiplicative relations; representing quantity fractions; two and three dimensional spatial structures, geometric and non spatial measurement; chance and data.

**Personal Development and Health:** In PDH, students will explore the topic of 'Why is it important to be fit and healthy?'. They will examine the role of physical activity in promoting health and wellbeing.

**Physical Education and Sport:** During PE, students will learn the skills, technique and rules to participate in the Jackson Cup sports in Term 4, which will be soccer and netball. They will also engage in tennis and tee-ball where they will focus on striking, throwing and catching. In Weeks 6-9 students will also have the opportunity to participate in Elective Sports, where they will select from provided sports they wish to explore.

**In Creative and Performing Art,** all classes will continue to learn songs and dances for this year's upcoming musical, "Annie". They will also be making art works and props for this production.

Brenton Mace – Stage 3 Assistant Principal

## 2024 Interschools Snowsports

**Results:** This week we had 8 students from MPS competing in the 2024 Interschools Snowsports ACT/Regional NSW Championships. Our team of Tai K, Jack B, Isla L, Ivy P-W, Bobby H, Kai S, Flynn K and Ollie K competed over two days in Snowboarding and Skiing events. Unfortunately for Kai, he became ill on the night before the competition and was unable to compete in his two events.

On Tuesday we had Flynn, our only skier, competing in the Alpine event and the Skier Cross. Flynn made huge improvement on last year's efforts and managed to put in four clean runs to set some great times and finish within the top 50 for both events out of a field of over 80 competitors. Ollie, competing in a division above his age group, was one of the youngest competitors in the Boarder Cross event and he managed an amazing individual 17<sup>th</sup> on the day against some strong and much older competition. Great work boys!

On Wednesday our Year 6 snowboarders competed in both the GS and Boarder X events. Bobby competing for the first time, and missing his teammate Kai, put in four clean runs and showed great improvement each time. Our other boy's team of Jack and Tai put together some great times in both events and placed an excellent 5<sup>th</sup> in the Boarder X and 6<sup>th</sup> in the GS. Awesome effort. Ollie, again competing a division up, came 15<sup>th</sup> and looked to be moving far too quickly for someone his age.

Our girls' team of Ivy and Isla impressed everyone with an incredible 3<sup>rd</sup> place podium finish in the Boarder X, with Isla also placing 3<sup>rd</sup> individually

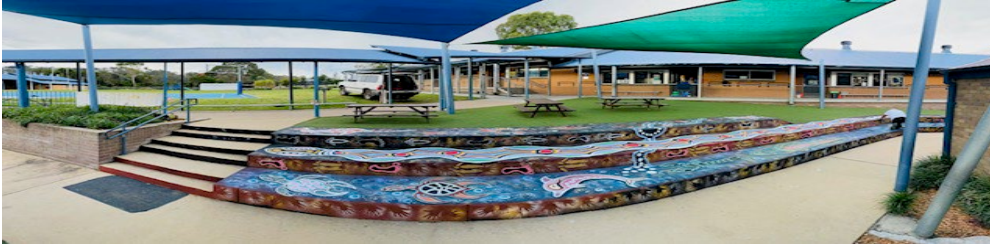

and 4<sup>th</sup> place in the GS. Not bad for a bunch of groms from the coast and it looks like we'll now have a few of our students competing in the State Championships in August.

Special thanks to all the parents for going to the trouble of getting your kids up there competing, commiserations to Kai for missing out and big gratitude to Matt Lehoczky and Pete Byard for their race volunteer efforts and donning the Hi-Viz on the day. Great job everyone!

Thank you to Mr Morris for attending the event to support our team.

**Henwood Street Drop Off Zone/Back Gate Access UPDATE:**

The Henwood Street back gate has reopened for pick up and drop off this Term between 8.30am and 8.55am; and between 2.55pm and 3.10pm - please note that access outside of these times must be from the front office gate on Randolph Street, unless accessing Aspire OSHC from their gate. Please ensure your child exits and enters your vehicle from the path/curb on the side of the road closest to the school oval, when your car is stopped. Please ensure that you take note of the new parking signs.

There are “No Parking” signs and requirements on the school side of Henwood Street, with new curb and guttering to assist safer drop off and pick up access.

There are also “No Stopping” signs on Henwood Street opposite the school side.

**What are the rules?**

No parking: You must not stop or park your vehicle:

- alongside another parked vehicle (double park);
- across a driveway, unless you're picking up or dropping off passengers;
- on a median strip, unless a sign says you can;
- on a traffic island;
- on a children's crossing or pedestrian crossing;
- on footpaths and nature strips,

unless a sign says you can; in a slip lane, unless a sign says you can.

- Your parked vehicle must not block the flow of traffic or become a danger to other road users.
- In some places, you must not park at certain times or under certain conditions.
- If you have a Mobility Parking Scheme (MPS) permit, you can stop for up to 5 minutes.

'No parking' signs:

- You must not park on a road or in an area where there's a 'No parking' sign. This may be all the time or at certain times, as shown on the sign.
- You can stop for less than 2 minutes if you stay within 3m of your vehicle, if you're:
  - dropping off or picking up passengers;
  - loading or unloading items.

No stopping:

- The 'No stopping' sign means you must not stop at any point on the road or kerb in the direction of the arrow, unless in an emergency.
- 'No stopping' areas are sometimes marked by an unbroken yellow edge line.
- Restrictions may apply at certain times only, as shown on the sign.

Vehicle parking rules:

- You must not park within 1m of another vehicle parked in front or behind (but not when angle parking).

# MPS Book Parade

Friday 16th August (Week 4)

1:30 PM - 2:45 PM

It's almost that time of year again! The annual MPS Book Parade is happening soon! Costumes can be homemade, recycled or purchased and should adhere to usual mufti guidelines (appropriate for primary school, no singlets, open-toed shoes, or dress-up weapons please). We look forward to dressing up, dancing and having fun while we celebrate the magic of reading!

Books available for purchase will be displayed in the library during our **Book Fair**, which runs from **Monday 12th August - Friday 16th August**. Merimbula Extra (newsagency) will be supplying the books and a percentage of all books sold will be credited back to the school library to purchase new books for our students. Children will browse the Book Fair during school hours and will create a wish list to bring home so that parents/carers can help them select books to purchase. Please remind your children to show you their wish lists!

On **Friday 16th August**, Merimbula Extra staff will be at the Book Fair so that students and parents/carers can purchase or order books throughout the day. You may use cash and EFTPOS facilities will also be available. If you are unable to attend with your child, please have them bring their wish list (with selected items highlighted or circled) and money to school, in a labelled envelope (name and class) or wallet. Parents can visit the Book Fair before school (8:30 am - 8:55 am), from 12:45 pm - 1:30 pm, or after school (2:55 pm - 3:30 pm). Parents and friends are welcome to join their children on **Friday 16th August** for both the Book Parade and to purchase books from the Book Fair during the nominated times. Please note that in the event of inclement weather, the Book Parade will be held in the hall. We hope you can join us!
