

2022 Clean Up Australia Day

Tuesday, February 1 2022

Dear Parents/Caregivers,

Schools Clean Up Day for Merimbula will be held on Friday March 4, 2022. We will once again be supporting Clean Up Australia Day by cleaning up designated areas, either within a school grounds or the school surrounds. Students from **Kindergarten, FL, FH, FD** and **FM** will clean up the school grounds, **Stage 1** will clean Spencer Park, **Stage 2** Randolph and Munn streets and **Stage 3** Berrambool Oval (depending on the COVID advice of the day).

Students will be asked to provide protective gardening gloves to handle rubbish. To participate, students will need to wear a hat. Any student with a diagnosed medical condition should inform their class teacher. Students diagnosed as being at risk of anaphylaxis will have their adrenaline auto-injector (EpiPen) with them on the day (held by their teacher). Children will also be responsible for carrying their own asthma puffers.

Safety is important, so all students should follow instructions, be responsible and well behaved, especially while around water. Students will also be briefed about the importance of hazardous materials and informed that they will not pick up these items, but alert supervising teachers. Please remind your child of this also. In the event of wet weather, please send a raincoat/umbrella to school with your child.

Thank you for your support. If you have any inquiries please contact me on 64951266.

Yours sincerely,

Michelle Hulme
Principal
