Your child has expressed an interest in attending the trial where a team will be selected to play at the South Coast Carnival held on **Thursday, March 17 at Hanging Rock Oval, Batemans Bay.**

For your child to participate you will need to organise transport to and from the Merimbula Public School Oval, Henwood Street gate access, Merimbula (off Main Street. **Note:** The school is located at 49-55 Main Street, the Henwood Street gate can be accessed by taking the first left hand turn past the school).

Due to COVID-19 restrictions, parents/caregivers will not be permitted on the Merimbula Public School site during the trials. Parking is available alongside the oval, with views of the oval. Parents/caregivers should parallel park as per signage, and stay in their cars, or be physically distanced 1.5m during the trials. Parents/caregivers will be invited onsite should a child be injured during the trials/following training sessions. Upon accessing the school site for support reasons, parents/caregivers will be required to use the school's QR Code and wear a mask should they not be able to physically distance 1.5m. *Please keep your mobile phone on/handy during trial/training days.

If your child is successful at this trial they will be required to:

- Take part in team training sessions at Merimbula Public School between 4.30-5.30pm on the following dates: **Wednesday, March 9 (Week 7) and Tuesday, March 15 (Week 8).**
