Dear Parents/Carers,

Your child has been selected to participate in the Far South Coast Touch Football trials to be held at **Pambula Sporting Complex, Pambula Beach on Friday 25<sup>th</sup> of February, 2022**. This session will commence at **12pm and conclude by 2pm**. If successful at these trials, your child will then represent the Far South Coast Touch Football team and participate in further selection trials in **Wollongong on 7<sup>th</sup> March, 2022 for the girls team** and **8<sup>th</sup> March, 2022 for the boys team**. At this event a South Coast team will be selected to compete at the NSW PSSA Touch Football Championships.

Transport to all venues and training is the responsibility of participants. These are significant commitments.

These trials are not participation based. Only competitive touch football players of representative potential are encouraged to attend. Please be aware of COVID-19 restrictions during these trials; **Students are asked to take a Rapid Antigen Test on the morning of the trial and not attend if they have a positive result. Students should also not attend if they have any cold or flu like symptoms. Due to COVID-19 restrictions, parents/carers are asked to stay off the field and behind the fence and socially distance.** COVID Safe measures in place during the trials include: separation of students into school cohorts where possible, modified activities to reduce mingling and additional sanitation measures.

Students should NOT attend the trials unless they are committed to go to Wollongong, and if selected there, attend several training sessions throughout the year. Transport to these trials at Pambula will be provided by parents/carers.

Please complete the permission note below and the attached Representative Consent form and return to your school sports co coordinator. They should send the notes to me ([emma.wykes@det.nsw.edu.au](mailto:emma.wykes@det.nsw.edu.au)) by Tuesday 22nd February.

**Important Information:** In the event of injury, no personal injury insurance cover is provided by the NSW Department of Education for students in relation to school sporting activities, physical education lessons or any other school activity. The Department's public liability cover is fault-based and limited to breaches by the department of its duty of care to students that may result in claims for compensation.

Parents and caregivers are advised to assess the level and extent of their child's involvement in the sport program offered by the school, school sport zone, region and state school sport associations when deciding whether additional insurance cover is required prior to their child's involvement in the program. Personal accident insurance cover is available through normal retail insurance outlets. Parents who have private ambulance cover need to check whether that cover extends to interstate travel and make additional arrangements as considered appropriate.

The NSW Supplementary Sporting Injury Benefits Scheme, funded by the NSW Government, provides limited cover for serious injury resulting in the permanent loss of a prescribed faculty or the use of some prescribed part of the body. The Supplementary Scheme does not cover medical expenses or dental costs.
