Mandatory Child Protection Lessons

Dear Parents and Caregivers,

During Semester 1, we will be teaching mandatory child protection lessons through the Department of Education's Personal Development and Health Unit, *How Can I Keep Myself and Others Safe?*

In taking part in the unit, students will investigate safe and unsafe features of specific environments and explore actions to enhance their own and others' safety and wellbeing. Through practical application students develop help-seeking skills and adopt strategies to help keep themselves and others safe. Students develop their ability to analyse and gather information in order to make informed decisions, assess risk and find solutions in order to promote their own and others' health, safety and wellbeing.

If you would like to talk to your child before the lessons, or would like to speak with your child's teacher, please contact them via Class Dojo. Alternatively, you can contact our school on (02) 6495 1266, and our Administration Team will get your child's teacher to call you.

Regards
