Rapid Antigen Test Collection #2

Dear Parents and Caregivers,

Our school has received an additional shipment of Rapid Antigen Tests to distribute to staff and students.

Rapid Antigen Tests can be collected from Merimbula Public School at the following times next week:

- 10am to 2pm daily (Monday, February 7 to Friday, February 11);
- 4pm to 5pm on Tuesday, February 8;
- 4pm to 5pm on Thursday, February 10.

As per last week RAT collection will be via the Bus Bay on Randolph Street. If a staff member is not at the gate, please ring the buzzer. A staff member will bring your child's tests to the gate. Once again, please ensure that you bring identification, should one of our new or casual staff members require it. Collection times are not during Bus Zone times.

Alternately, students with parent/caregiver permission are able to take their RATs home with them. Should you wish for your child to bring their Rapid Antigen Tests home from school in their school bag, please complete the permission note below.

Regards,
Michelle Hulme
Principal

Rapid Antigen Test Collection #2

Please return this note to the MPS office by Tuesday, February 8

Dear Ms Hulme,

I would like my child _____ of class _____ to bring their allocated Rapid Antigen Tests home with them, in their school bag.

I am also happy for my child to bring any subsequent Rapid Antigen Tests home as they become available.

Name of Parent/Carer: _____ Signed: _____ Date: _____
