Enhanced Transition to High School

Bega High School 2022

Dear Parent(s)/Guardian(s),

This year we have the opportunity to enhance your child's transition to high school with additional visits to Bega High School in Terms 3 and 4.

Your son/daughter, _____, has the opportunity to attend the first of these visits to Bega High School on Thursday, 15 September 2022 (Week 9, Term 3). They will visit for an entire school day to tour the school, meet new friends from our partner primary schools from around the Bega Valley and participate in fun learning activities.

We encourage students to take the high school bus to and from Bega High School on this day (additional information regarding bus transportation will be provided). Safety measures will be in place to ensure your child catches the bus safely to and from Bega High School.

We are committed to creating a supportive environment at Bega High School where your child will grow academically, socially and emotionally.

Please contact me if you have any questions or concerns. I am happy to discuss your child's transition to Bega High School and learn the best ways that we can support their learning and wellbeing.

I can be contacted by calling Bega High School on (02) 6494 9000 and requesting connection to the HUB. My current workdays for Term 3 are Mondays, Thursdays and Fridays.

Kind regards,

Monica Dillard

Students can be taken in private transport or catch the high school morning/afternoon bus to and from the school. Please contact Sapphire Coast Buslines for bus times/details.
