

Merimbula Public School

POSITIVE BEHAVIOUR FOR LEARNING (PBL)

Pumptrack

Learning Intentions

We will know how to safely use ROLLERS and BERMS when developing riding skills.

Rules and Responsibilities

- Students take responsibility for their actions, be safe and in bounds.
- Line up for and use equipment properly, in the safety area (away from the Pumptrack burms). Return equipment you borrow.
- Hard shell Standards of Australia helmets must be worn when riding. Helmets designed specifically for skateboarding, roller and in-line skating are ok. Standards Australia approved design cycling helmets are also suitable. If borrowing a helmet, wear your hat underneath it.
- Beginners must wear knee and elbow pads and wrist guards.
- Comfortable clothing/soft soled shoes must be worn.
- Long sleeves/pants are recommended.
- Wait for duty teachers' instructions before riding.
- Equipment is closed unless a teacher is on duty.
- Clockwise direction at all times, unless changed by the teacher (who will ensure everyone is riding anti-clockwise).
- Riding is not permitted in other areas of the school.
- Beginners: 1-2 riders at a time / Intermediate: 1-3 / Experienced: >5

Pumptrack

Supervising Teacher Information

- Students are to be supervised at all times.
- MPS staff wear a school key/safety lanyard, as well as a hat when outdoors in Term 1 and 4 (as well as ensure students have a hat/sunscreen in Term 1 and 4 also). Safety helmets and equipment to be checked prior to each use.
- Clear reminders are given for students to follow Rules and Responsibilities as required. Students must have watched the provided Pumptrack safety clip.
- Staff wear fluoro vest when on duty.
- First aid kit and permission rolls taken to the duty. Parent permission a must.
- Students line up away from berms, and balls are kept away from the track.
- This duty is for teachers who are experienced riders/skaters only.

- ▶ Students receive whole-school playground Dojos for demonstrating appropriate behaviours.

Negative behaviours are recorded on EBS4.

These behaviours are shared immediately with the students' next teacher, and via EBS4 referrals to all Executive, LST, RFF and class teachers of the student.

- ▶ Health and Safety concerns are reported to the Principal immediately. School Discipline Policy, PBL Matrix and school values are adhered to. Students on behaviour monitoring are not permitted to use the Pumptrack.

"To provide an environment where achieving one's best is inevitable" – Our vision @ MPS
