

Friday, October 14, 2022

Dear Parents and Carers,

Merimbula Public School will be supporting Day for Daniel on **Thursday, 27 October**. We are holding it a day early due to National Bandana Day being held on Friday, 28 October. The day supports the promotion and education of child safety across Australia. The goal is to make Australia a safe place for all children. During this day, children will take part in a variety of activities to improve their awareness of child safety. Some of these activities may include taking part in an interactive child safety lesson, learning strategies to recognise bullying and how to create a safety network. Parent and carer resources can be found at the following link;

<https://danielmorcombe.com.au/keeping-kids-safe-resources/>

We are asking everyone to **wear red and bring a gold coin donation** to support the Daniel Morcombe Foundation. Please remember that singlets, tops without sleeves and midriff tops are unacceptable, as we need to be sun safe. Appropriate footwear for school should also be worn.
