

Merimbula Public School- Stage 2 Excursion

Thursday, 3rd November – Friday 4th November 2022

Dear Parent/Grandparent/Caregiver,

The Stage 2 Kianinny Excursion will be held next week on Thursday, 3rd November and Friday, 4th November 2022. Below we have included information that will support students and families with the camp.

Departure

Students should come to school as normal on Thursday, with all their gear packed neatly for departure from school at approximately 9.15am. Upon arrival at Kianinny, students will be shown their room and then move in groups to various activities.

Luggage

Each student is limited to one small overnight bag or suitcase for their clothing and toiletries, a sleeping bag and pillow. They can also bring along a backpack for their daily activities.

Cameras are the responsibility of the student, and the school will not be liable for loss or damage. Please note that any device containing inappropriate content will be confiscated. Electronic devices including phones, laptops and iPads are not allowed.

Meals

Catering for the camp begins with afternoon tea on the first day and ends with lunch on the last day. Students are required to provide their own packed recess, lunch, and drink for the Thursday. Please pack this in their backpack, not in their suitcases.

Identification of Belongings

Please ensure every item of your child's clothing, personal effects and luggage is clearly labelled.

Emergency Contacts

If you need to contact your child in an emergency, please contact the school office during business hours on 64951266.

Medication

All medications need to be handed to the school office no later than Monday, 31st October. Medication provided should be clearly labelled with your child's name. Medications can only be given if 'Request for Administering Prescribed medication to the Student' is filled in and submitted to the school. Please make sure prescribed medication has administering dates, times and doses provided and is printed via chemist label with your child's name and instructions. This includes headache medicines, travel sickness medicines or **ANY** type of medication. Please **DO NOT** hand any medication to staff on the day as it cannot and will not be given without doctor/ chemist instructions.

Thank you for your assistance. If you have any further questions, please contact your child's teacher. Please turn over to see a suggestion list for what students will need to pack for camp.
