

SPORTING SCHOOLS – YEAR 4, 5 AND 6 SWIMMING and WATER SAFETY PROGRAM

Friday, November 18, 2022

Dear Parent/Caregiver,

Our school has been successful in receiving another Sporting Schools Grant, to support increased sport and physical education program access in Term 4. Due to the School Swimming Scheme being cancelled in 2020 and 2021 (for Year 2 to 4 students) we have decided to spend our \$3,200 grant on providing a swimming and water safety program at Candelo Pool for all Year 4, 5 and 6 students. This program will be at no cost to students/families (for the activities, pool entry or bus).

Our Year 4, 5 and 6 teachers will be running swimming activities and water safety activities at the Candelo Pool, supervised by the Candelo Pool professional life guards. All students will be required to return this permission note, as well as, complete a swimming competency assessment when at the pool, to support group and activity organisation. The activities/excursion will take place on **Tuesday**, **December 2 and Monday**, **December 12**. Students will leave the school at approximately 9.15am and will return in time for afternoon buses. Please complete the permission note below for your child to attend. Students in Year 4 taking part in the School Swimming Scheme on Tuesday, December 6 will only attend the Monday, December 12 session.
